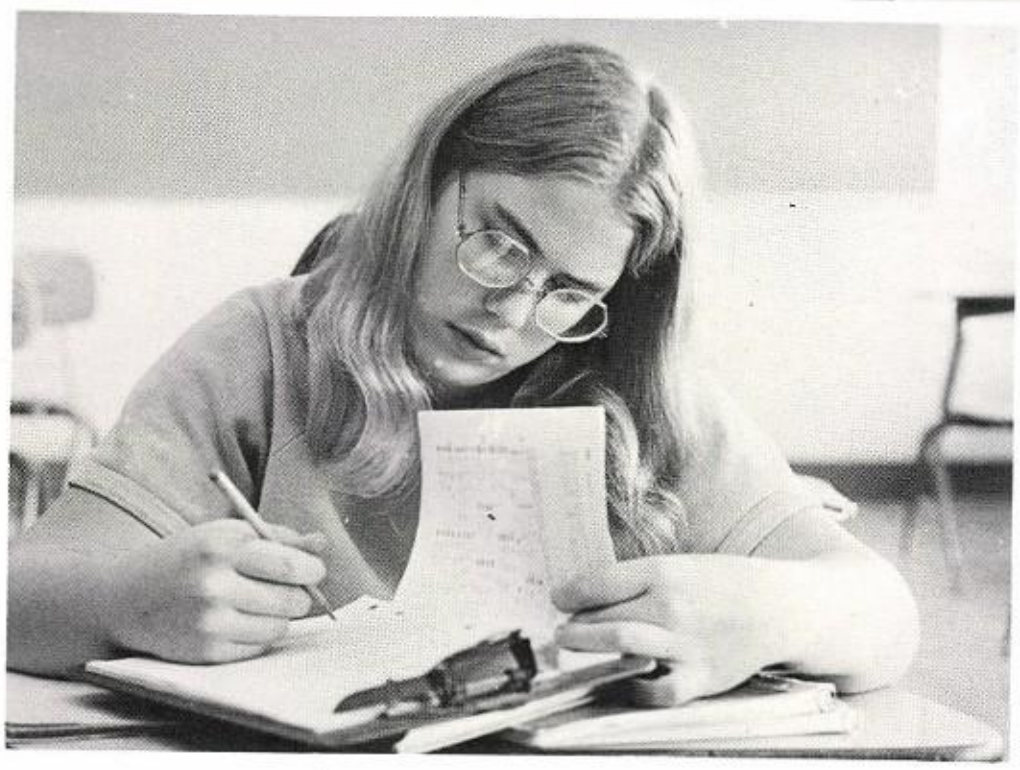
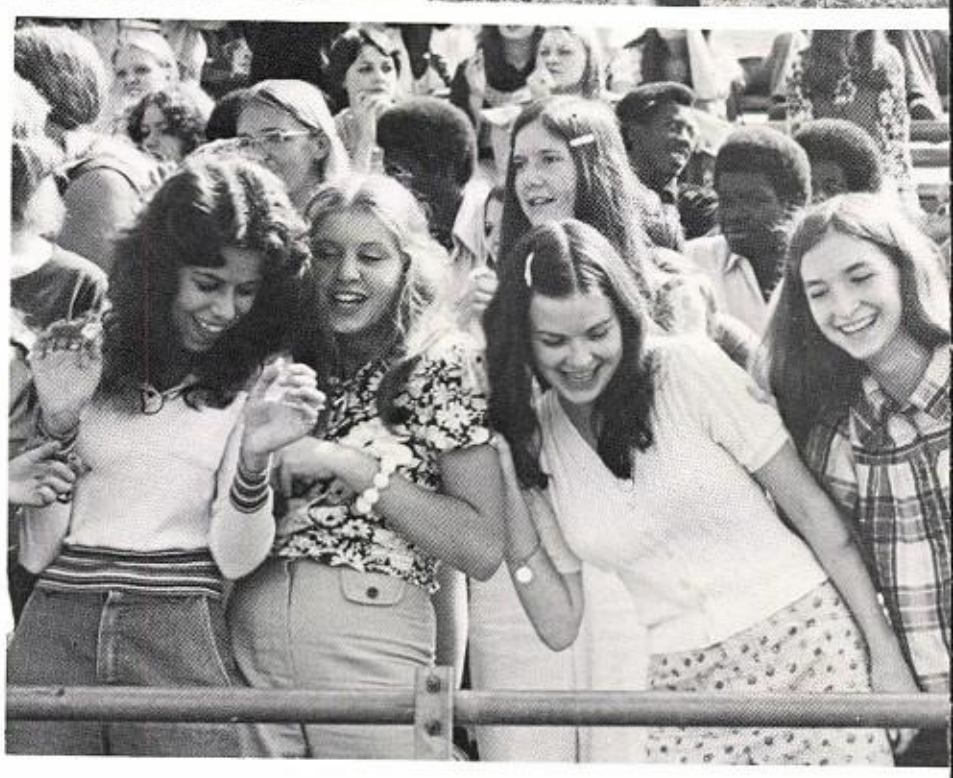
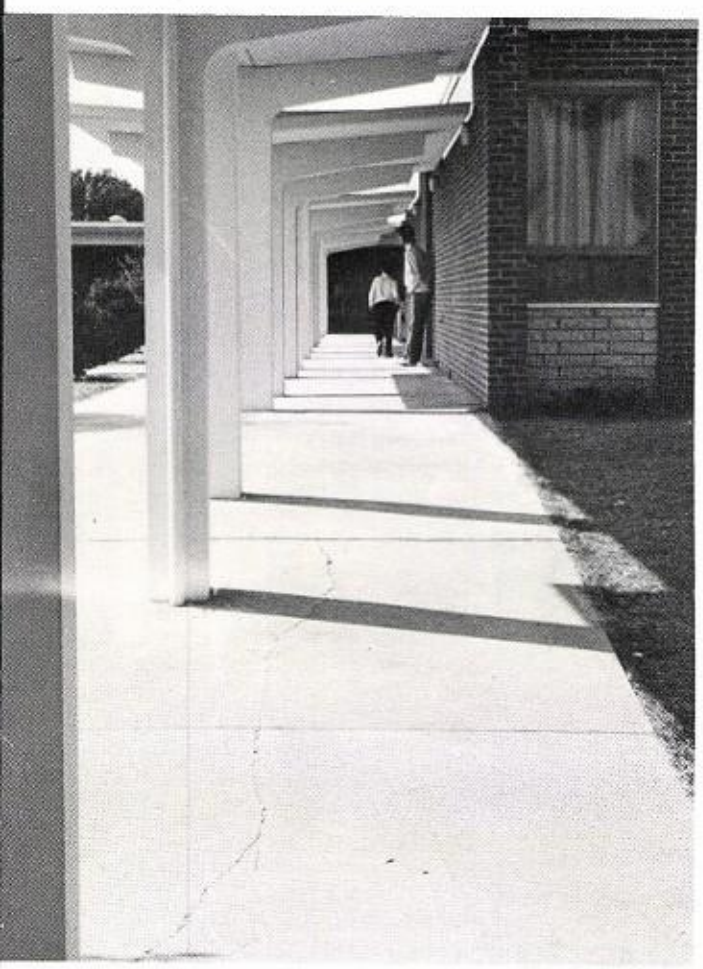
1975 Vol. XII

The way we were . . .

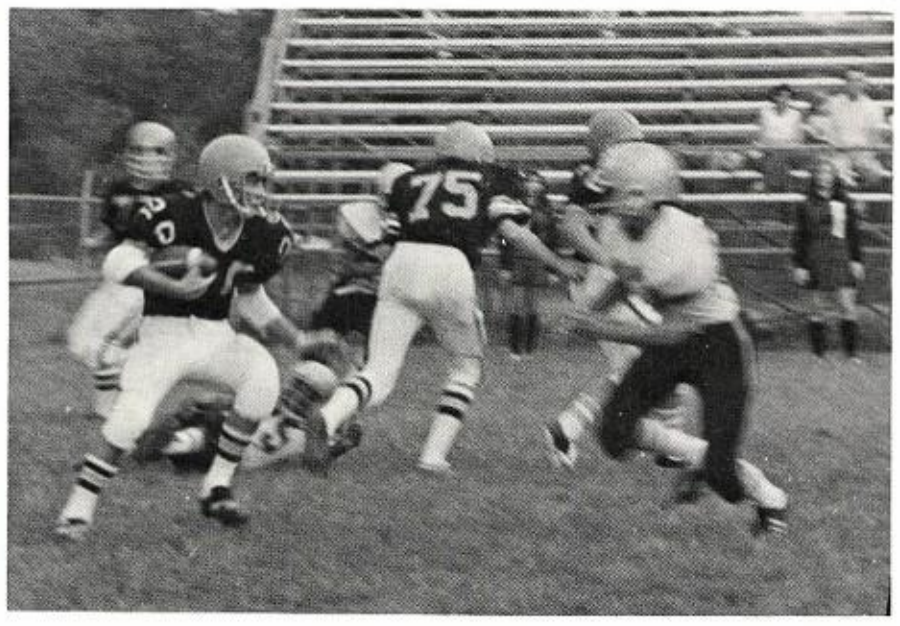


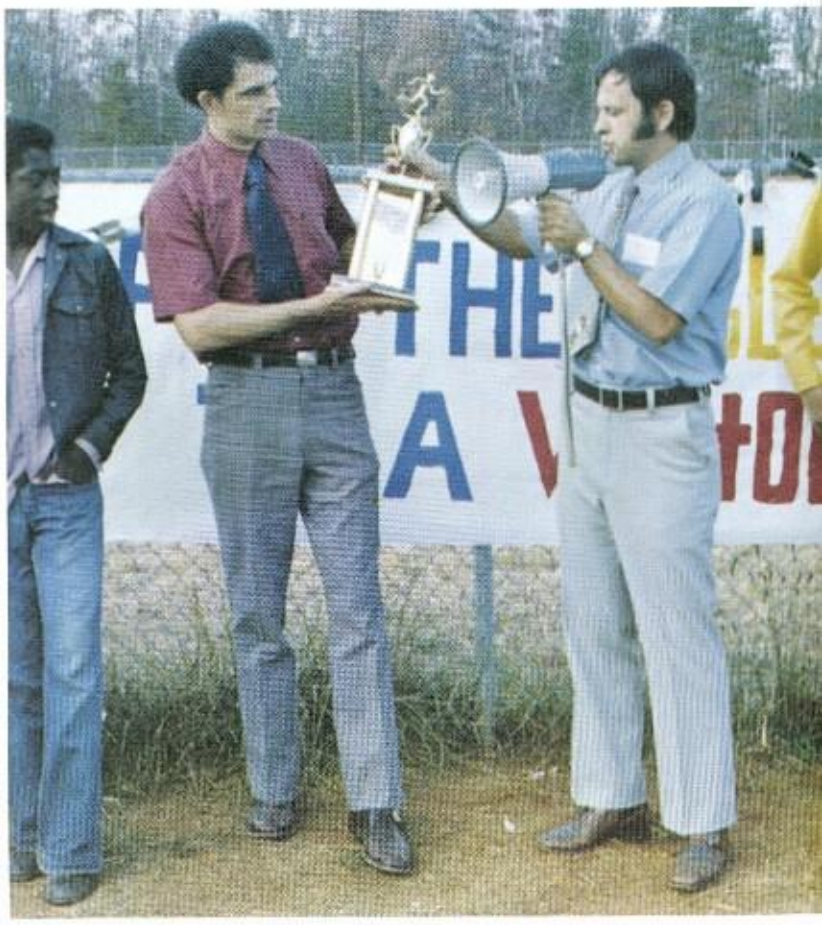


1975

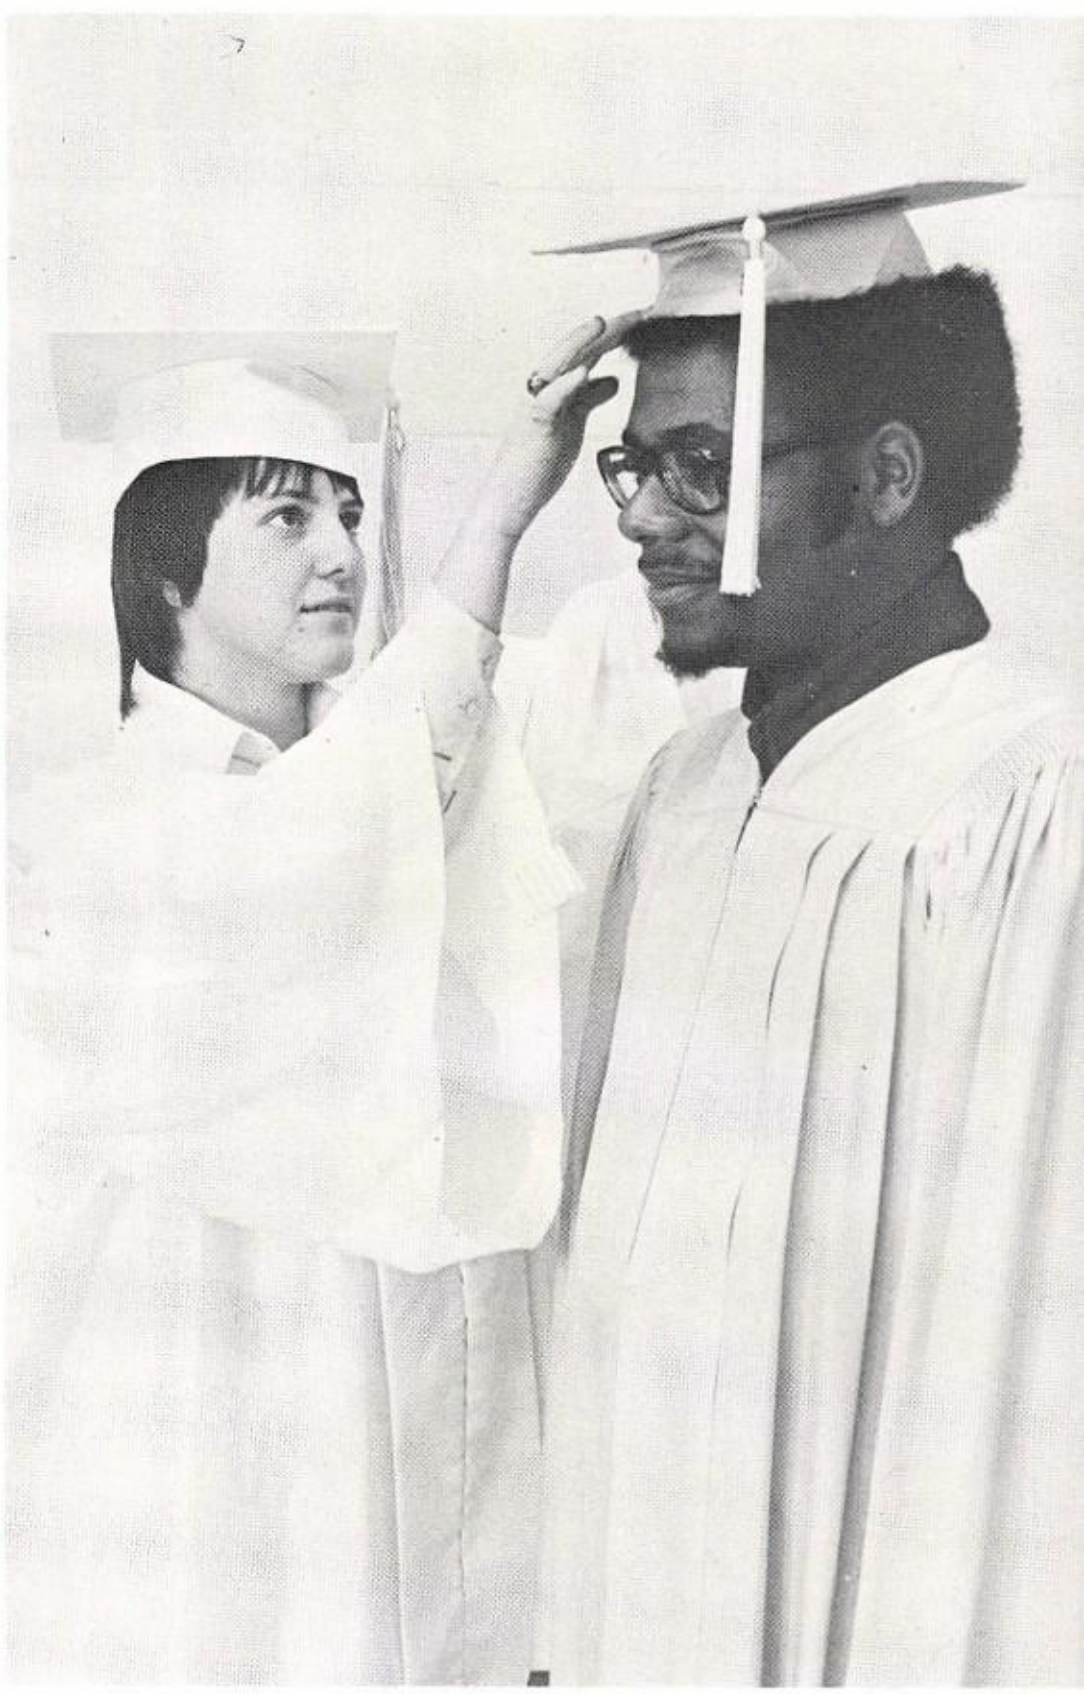


In days to come, when we look back
On the way we were
In 1975
There will be much to remember.
We will remember
The smile of a special friend,
Laughter shared;
Tests, term papers,
And textbook controversies;
A new President and a country
Shaken by inflation and recession.
We will recall the great Disappointment
Of losing . . . again;
And the bursting pride of winning,
Of being Number One.



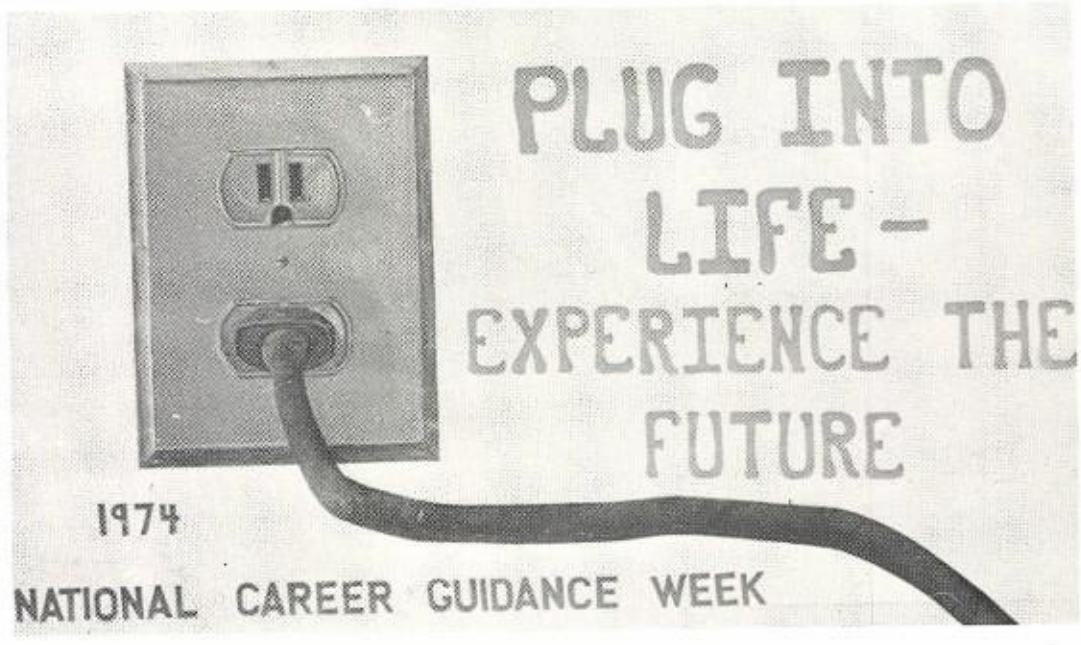


Among our memories will be
The great feeling of being
Part of a group, of giving of ourselves;
The frightening moments of
Aloneness.
We'll remember apathy,
And it's destructive effect on us as a group;
And our efforts to defeat it;
The exhilerating arguments of
"Group A or Group AA?";
We'll look back in hope
That we've begun,
That we've taken the first steps
Toward being the best we can be.



We were united . . .

Students, teachers, administrators,
Parents, guidance counselors,
Cafeteria and maintenance staff,
Bus drivers–
All working together to make
The most of 1975.
At times we seemed to be
Going in different directions,
But we were united in seeking
The best for each member
Of the school community.
We worked together–
To make the classroom
An exciting and valuable
experience;
To keep the school "machine"
Running smoothly;
To build up school spirit
And pride;
To encourage each student
To achieve the highest goals
Possible.



We were seniors . . .

Excited about reaching our goal
Of graduation;
Some of us relieved to see the end
Of school days;
Others of us, sorry to leave behind
Friendships, involvement, security.
Gladly we left behind
Government tests, English papers,
Report cards, and exams.

Reluctantly we gave up pep rallies,
Club meetings, ballgames, class
picnics, and class friendships.
We look to the future,
Eagerly, apathetically, or perhaps
Apprehensively.
Whatever our feelings for the future,
We are sad to see the end
Of such a large part of our lives;

Aware that we
Will never be the same.
When we look back on our year
1975.
We'll remember laughter, tears
Disappointment, and success;
And perhaps most of all
Pride that we reached our goal.

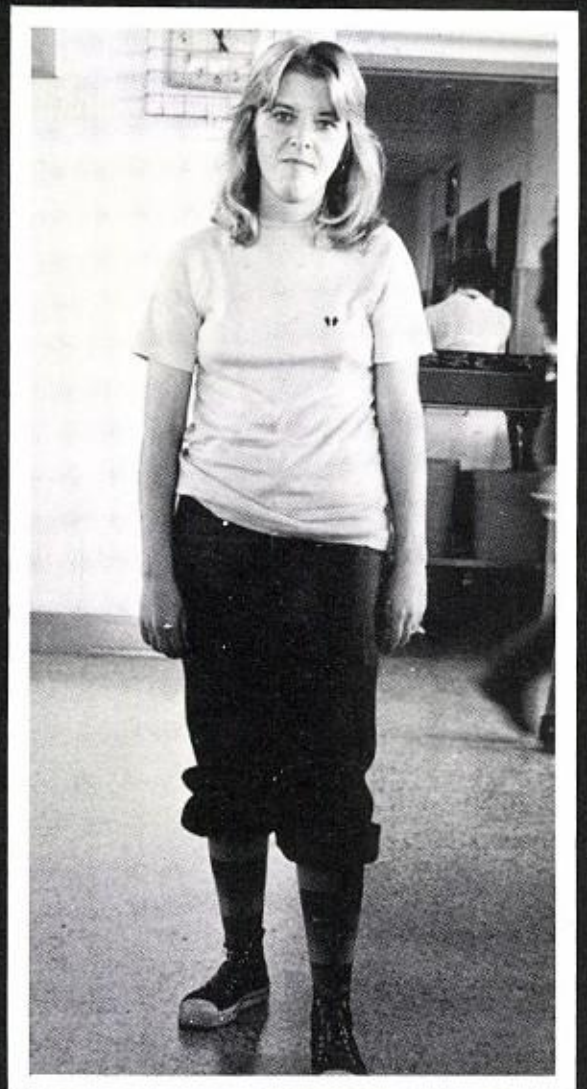
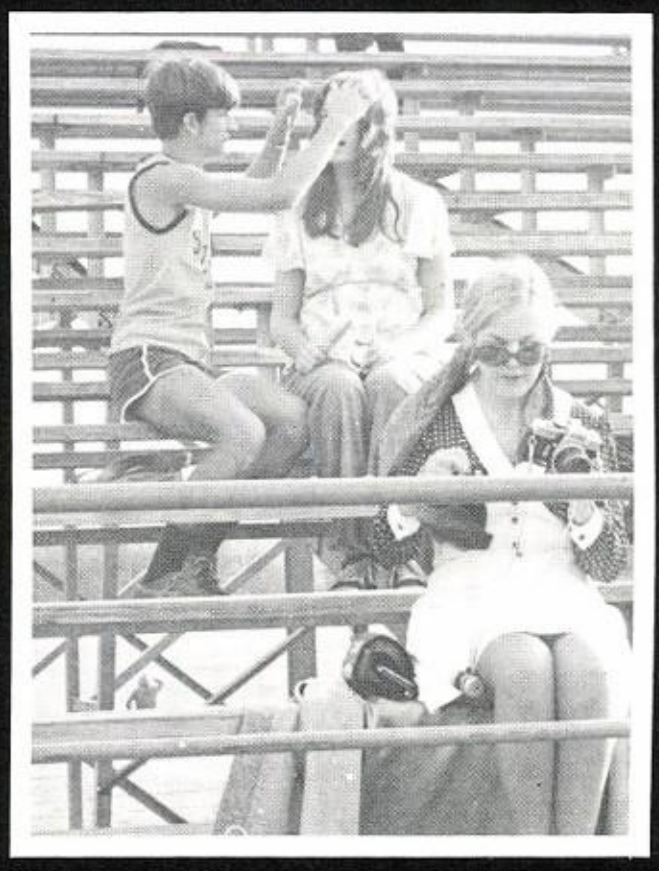
Part of remembering the way we were in our last year of school is remembering the bits of our real selves that were captured on film. Here is a small segment of that part of our year, sometimes serious, more often humorous. Hopefully these candid reminders of the way we were will bring a smile for years to come.

Diane Tuck shows fine punting ability in the Junior-Senior Powderpuff football game.

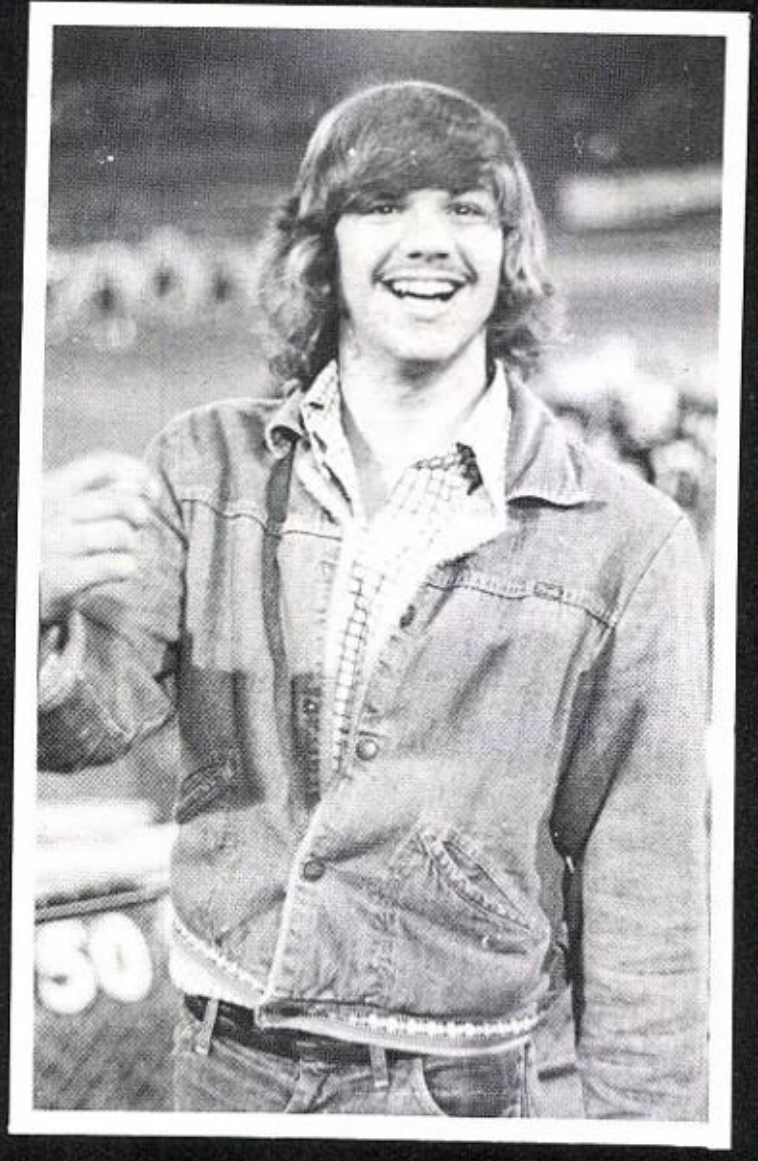


Trudy Bobbitt exhibits the strange effects of Sock It To 'Em Day.



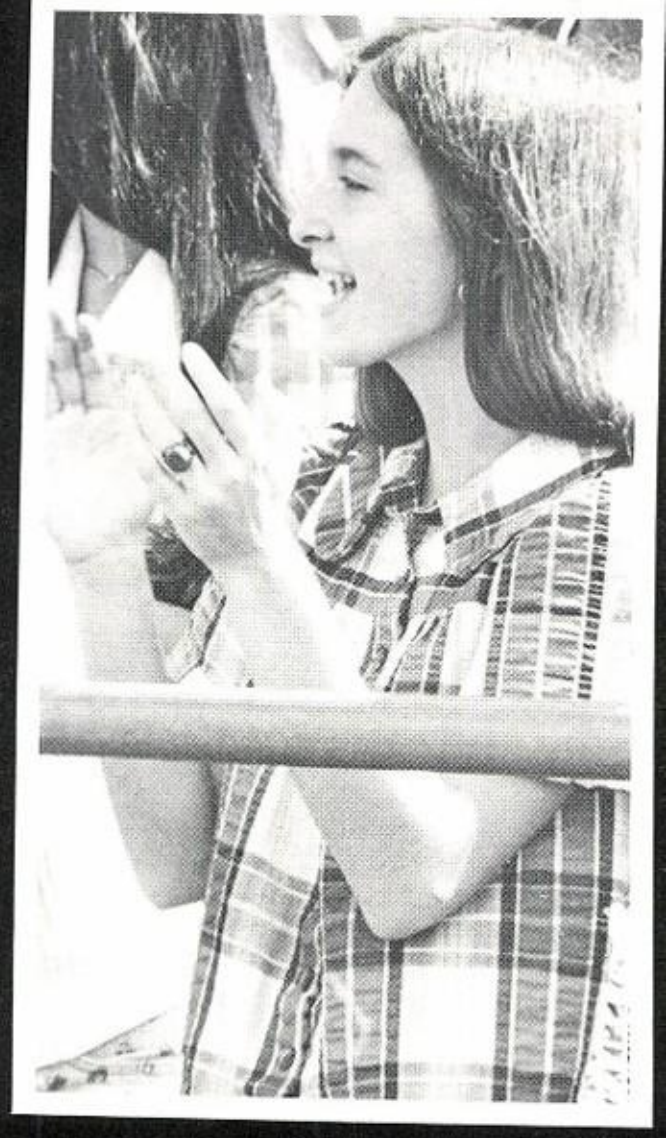
"Isn't love wonderful?" as illustrated by Clinton and Kim.

Gloria Perdue races for the first score in the seniors' 12-0 victory over the juniors.

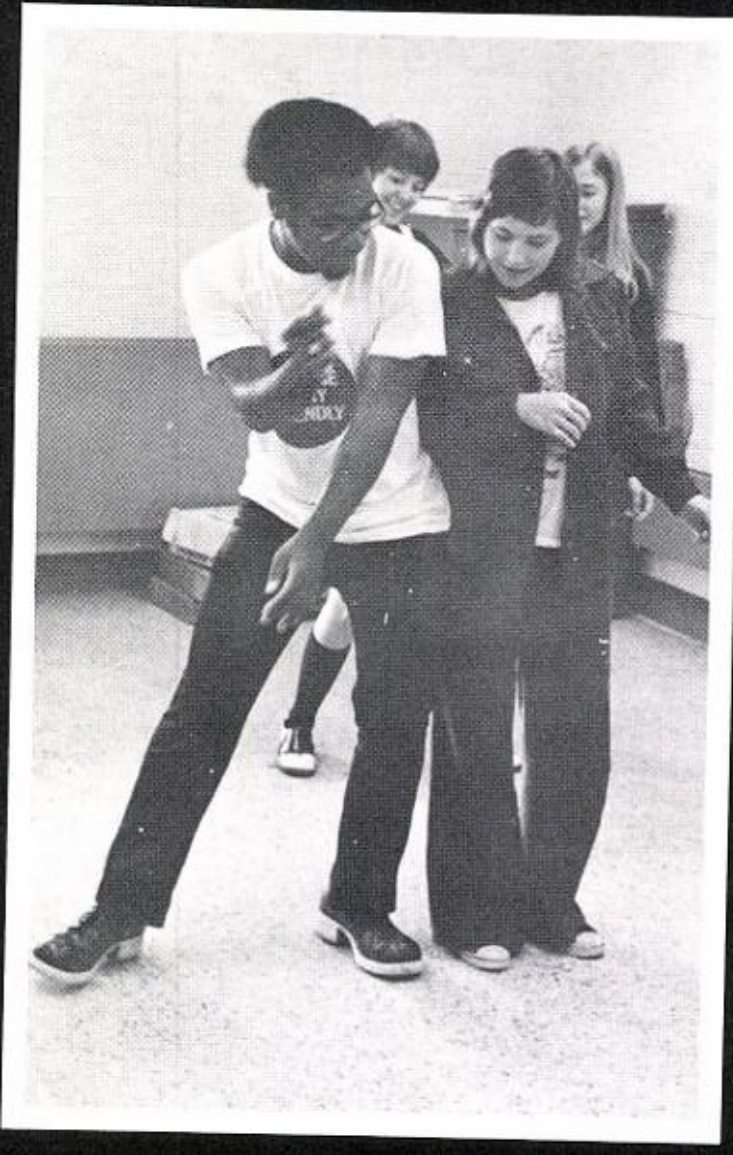


Did anyone ever see Rick Reynolds without a grin on his face?

Even David Looney found that enormous tuba too much to carry somtimes.

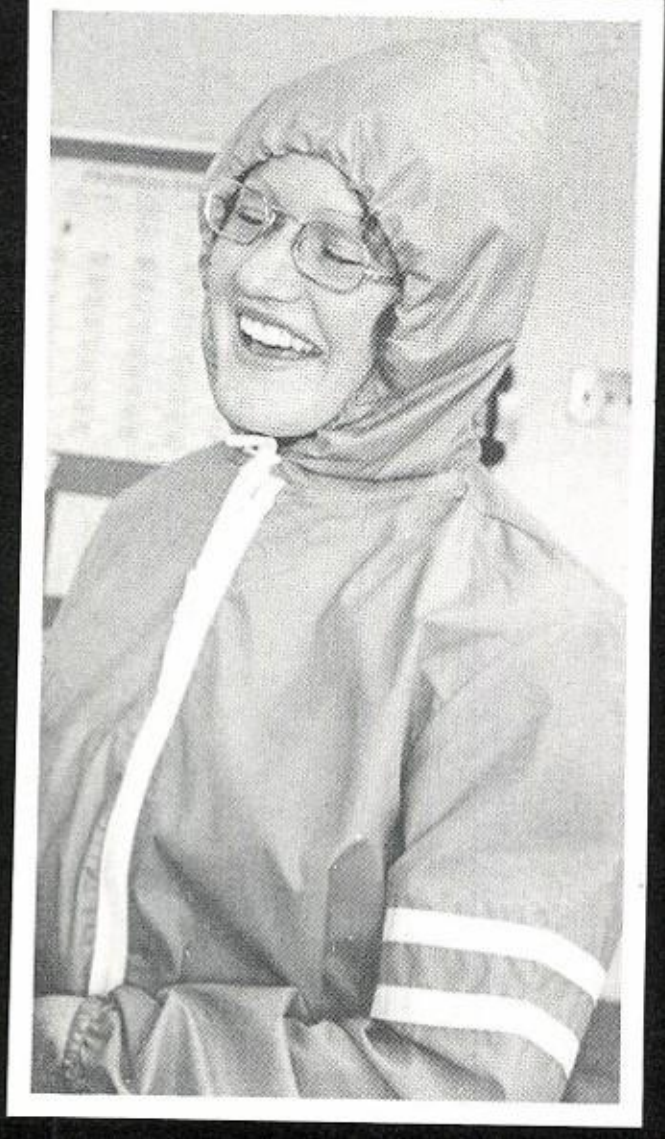


Gloria Sellers shares a little of her school spirit at a pep rally.



Robert Morgan gives "Bump" lessons to Helen Eades, Mary Hoskins and Kathy Sellars.

Jack Dearing is wrapping up for the cold ride on his motorcycle.



Donna Angell finds it necessary to dress warmly for working in the annual room.

We were juniors . . .

Nearly at the top;
Starting our year with ring orders,
Achievement tests and
Class meetings.
There was a lot of work
To organize and plan,
To raise money in every
Conceivable way,
And finally to put on
Our prom.
It was a year
For looking ahead,
Exploring all the countless
Possibilites of what to do
After high school.
Receiving our rings,
And seeing our friends prepare
For graduation
Made us undeniably aware
That we are nearly there,
That soon we'll be Seniors.

We were sophomores . . .

Part of the school now,
Becoming more involved;
We were halfway to our goal.
By now we have found out
What Staunton River is
All about;
We were ready to be
Active–
In sports, in clubs,
In the classroom,
In sharing ourselves
With others.
Now that we know
What we're part of,
We look forward
To the best years,
Yet to come.

Liz Harkrader was the winner of the Bedford Jr. Miss Contest in November. Liz was one of five girls who represented Staunton River. The other girls were Helen Eades, Diane Tuck, Cindy Tuck and Gloria Sellers. Not only did Liz win the Bedford Jr. Miss title but she was voted Miss Congeniality by the other contestants. Liz competed in the Virginia Jr. Miss Contest in January.

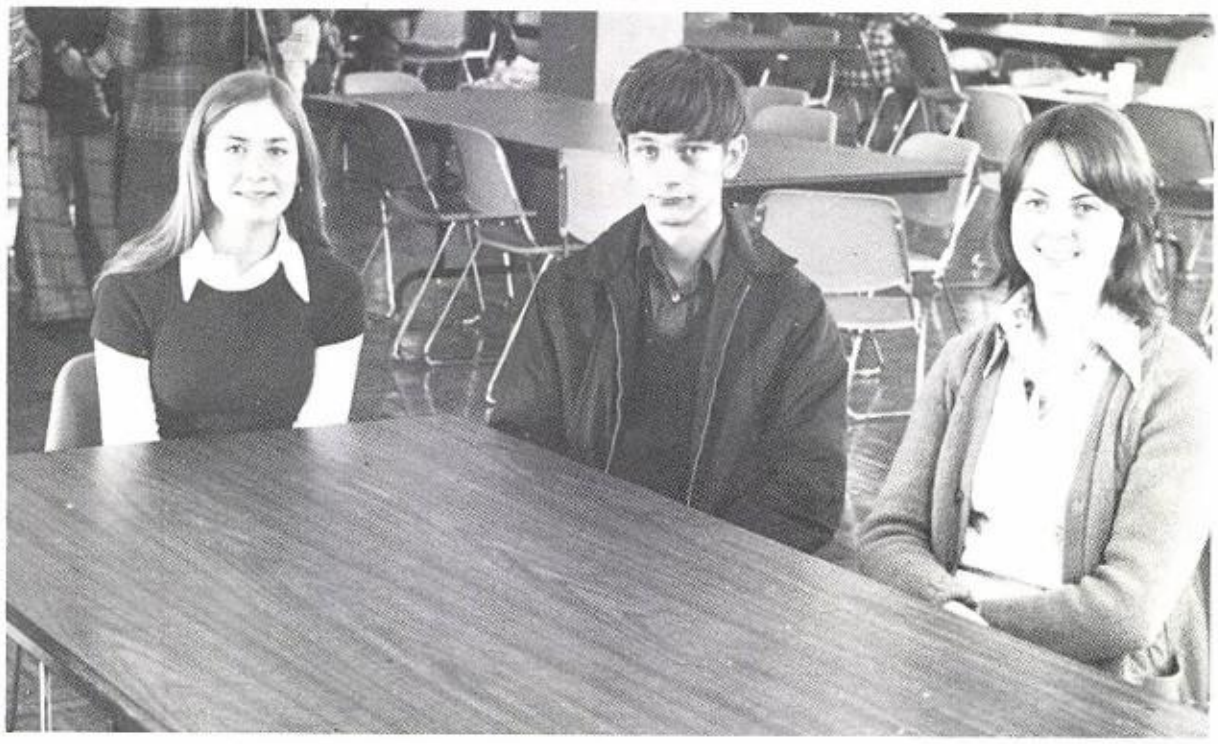
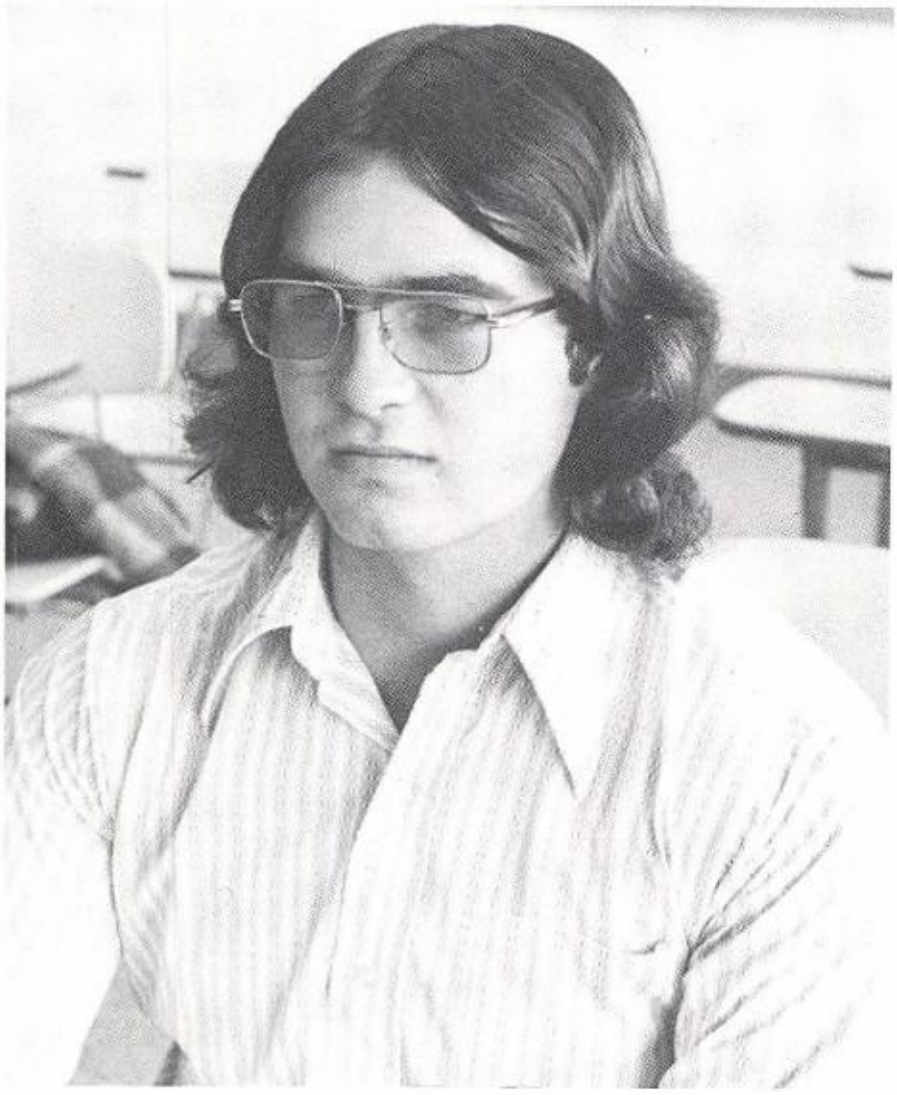
Our school was a contestant on Klassroom Kwiz October 21 and October 28 On October 21 they scored a 180-110 victory over Christianburg High School. On October 28 they were defeated by Tunstall High School. Those on Klassroom Kwiz representing our school were Glenda Kasey, Jeff Moles, and Clinton Western.



These three students, Kathy Sellars, Clinton Western and Martha Hoskins were selected to represent Staunton River at the Radford Math Rally on December 4. Students from all over Virginia took this exam to test their mathematical ability.



Kenneth Delong started lifting weights in January of 1974. He was the youngest competitor in the state, competing against men of ages 25-35. His highest honor that he now holds is first place in the "1974 Virginia A.A.U. Teenage Olympics Championship."

Cindy Tuck was the Senior girl awarded the DAR Good Citizenship Award. This award is made each year to a Senior girl who exhibits qualities of honesty, dependability, punctuality and service to school, home, and community.

We were leaders . . .

Teachers, administrators, guidance counselors,
Secretaries, bus drivers,
Custodians, cafeteria staff–
Working together to get the job done;
Agreeing, disagreeing, working out problems;
Frustrated by a ditto machine
Or a tardy student;
Tired of answering the phone
Or sweeping up more papers;
Making up menus and cooking lunches,
Driving a bus crammed with noisy students;
Regulated by bells and duty schedules,
Jarred out of routine by pep rallies and assemblies;
Sharing one and all in the disappointments
And the triumphs, the excitement and the humdrum.

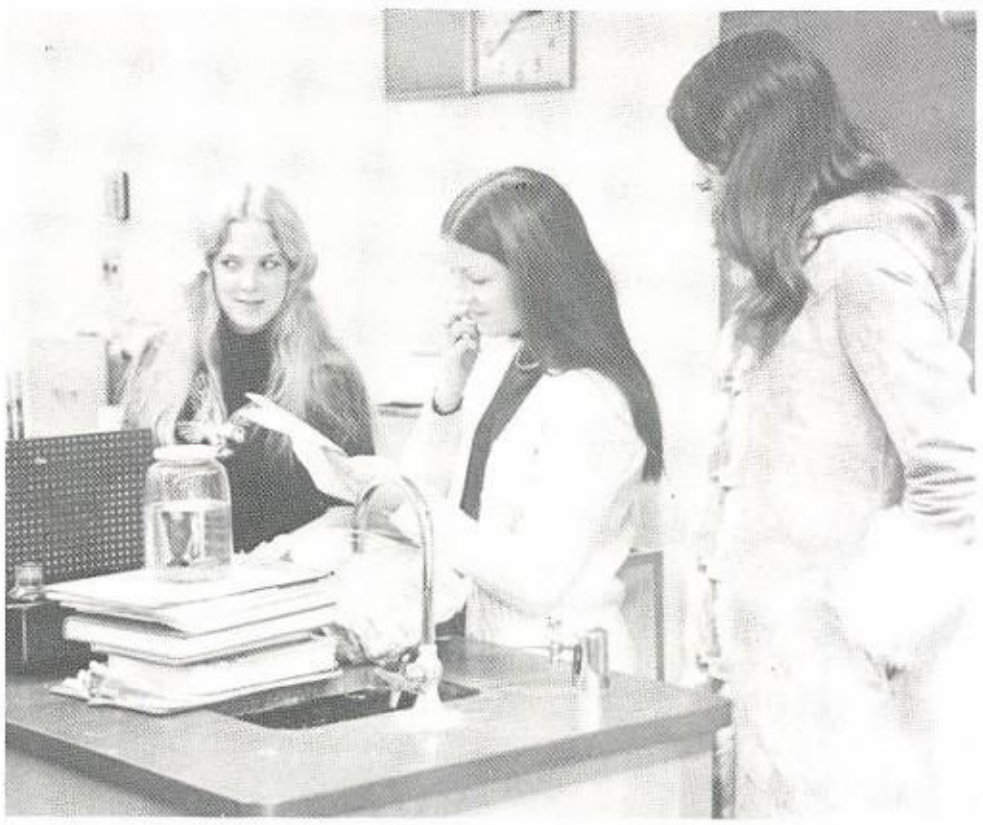
Science Department

The courses offered in the Science Department at Staunton River give the student a wide variety of experience in the world of science. From a study of the earth around them in 8th and 9th grade, through animal and plant study in biology, to advanced ideas in chemistry and physics—there is enough to explore to keep anyone from losing interest. With science so closely related to every day, the Science Department constantly seeks to make the study of science relevant to every student.

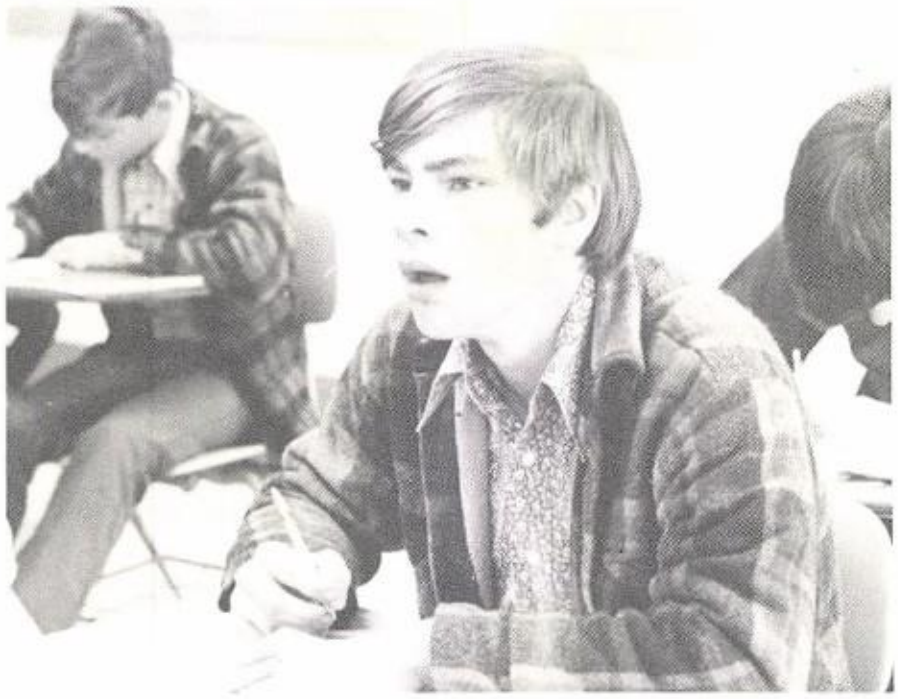
Mrs. Cooper explains generator aparatus to Susan Sublett and Mitzi Nunley.

Gary Gibson and Joe Davis cautiously watch Roger Van Wart experiment in Physics.



Carol Smith, Debbie Mullins and Sandra Davis present a report to biology class.

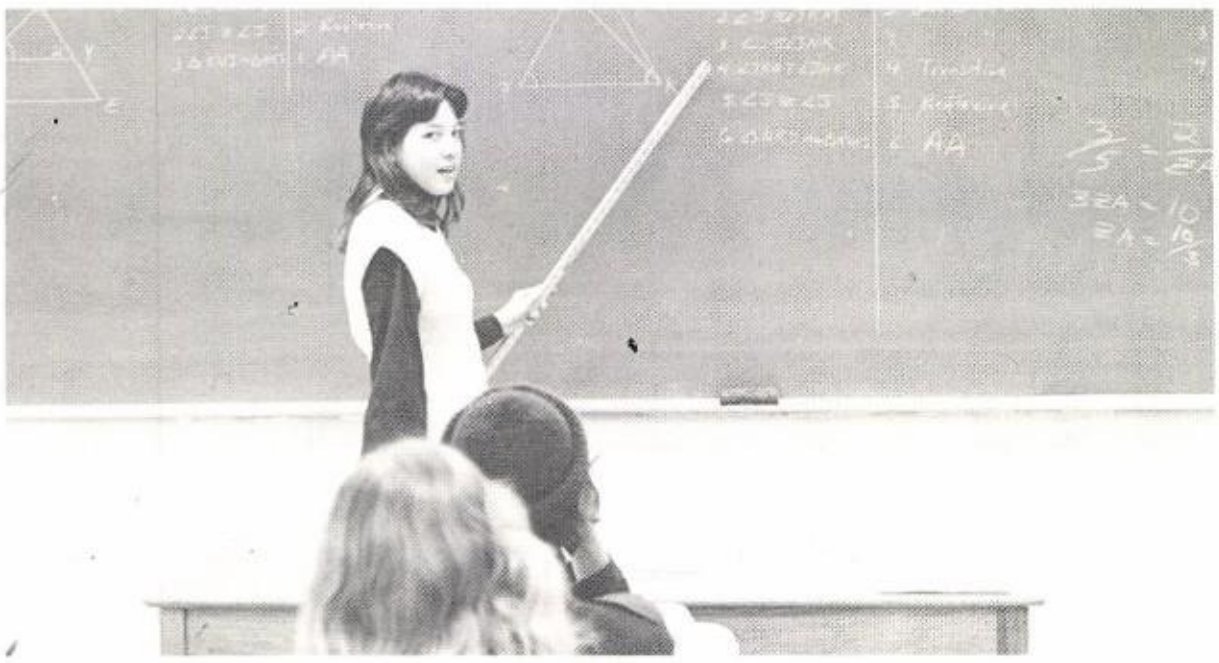
Sandra Bryan and her lab partners check the directions for the investigation which they have begun.



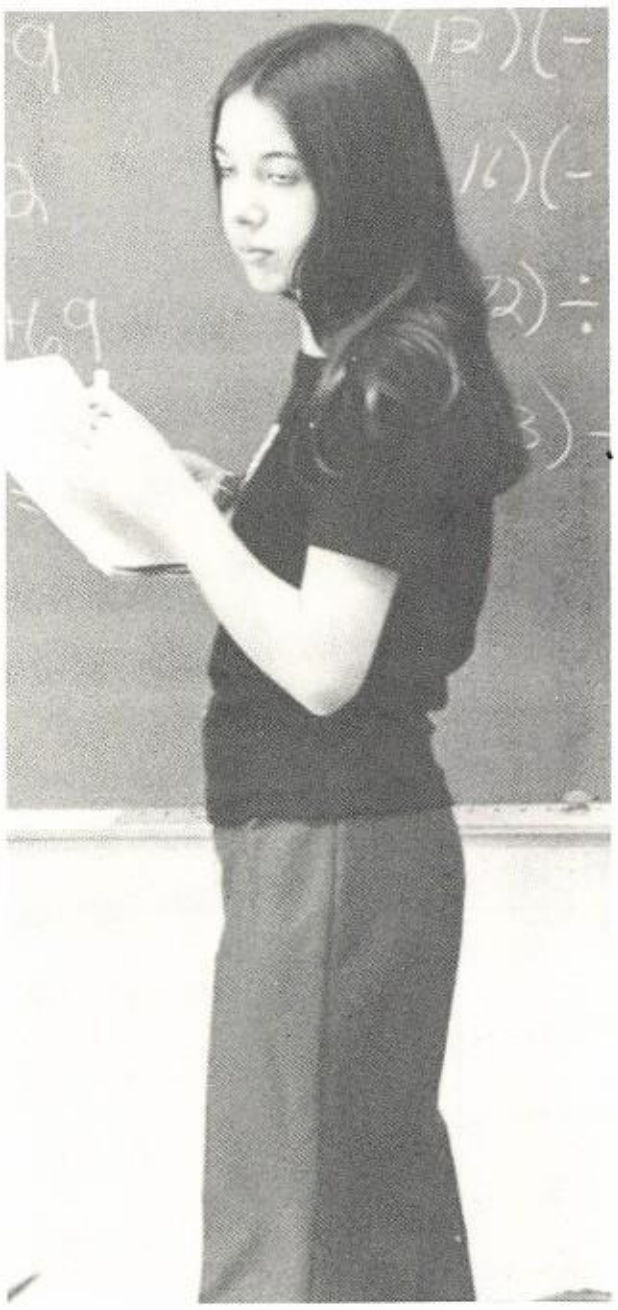
Jerry Jones ponders an assignment in math class.

Math Department

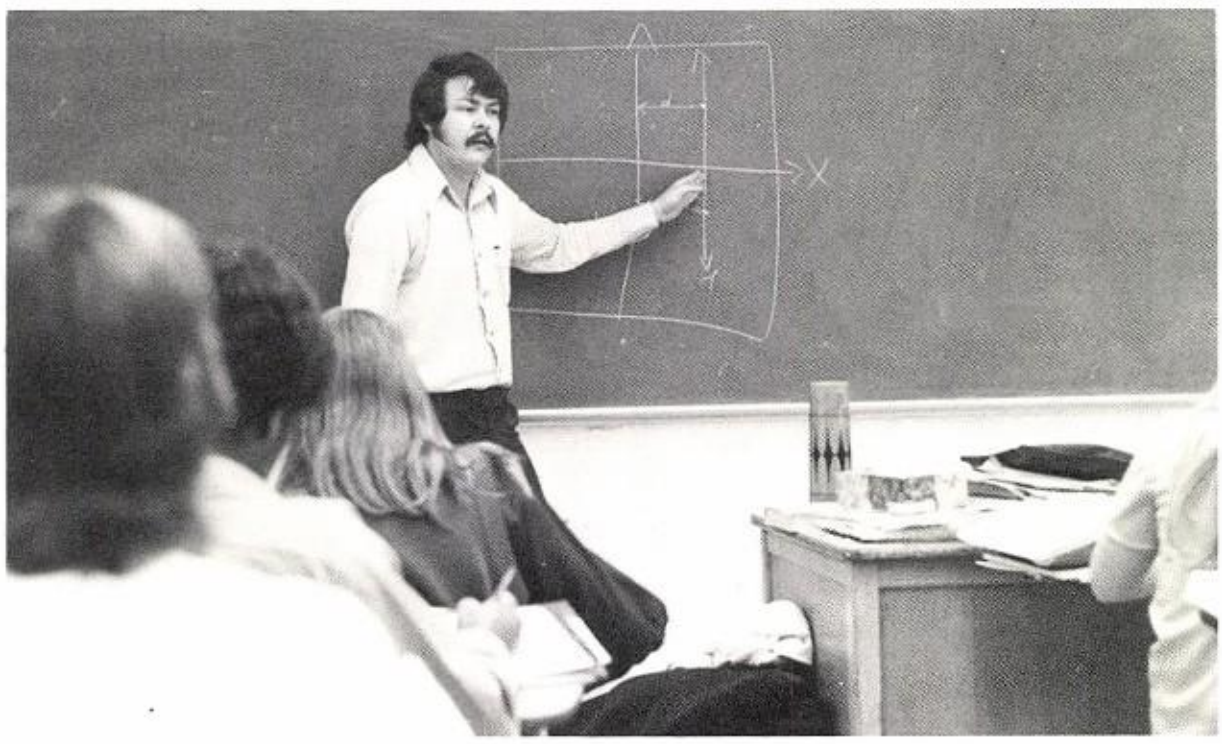
Few people really like math, but everyone finds it necessary to use it in daily life. The Math Department accepts the challenge to equip all students with the basic skills in math and to also meet the needs of students who wish to pursue the study of math beyond the basics. Those who choose to continue their study can enroll in algebra, geometry, trigonometry and advanced classes.



Susan Moorman explains a geometry proof to her classmates.



Carolyn Cawley demonstrates her skill with signed numbers.

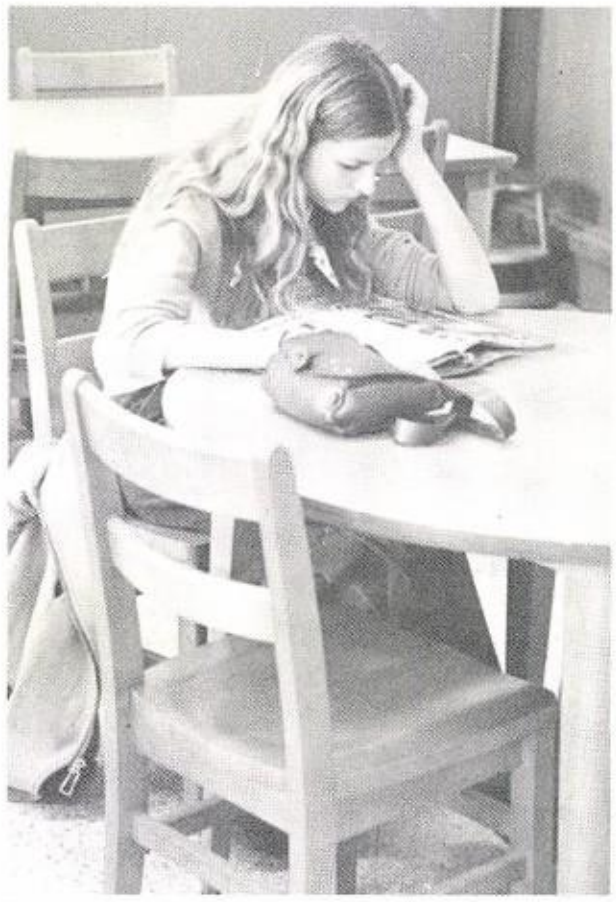


Mr. Eckard answers questions on graphing in Algebra II.

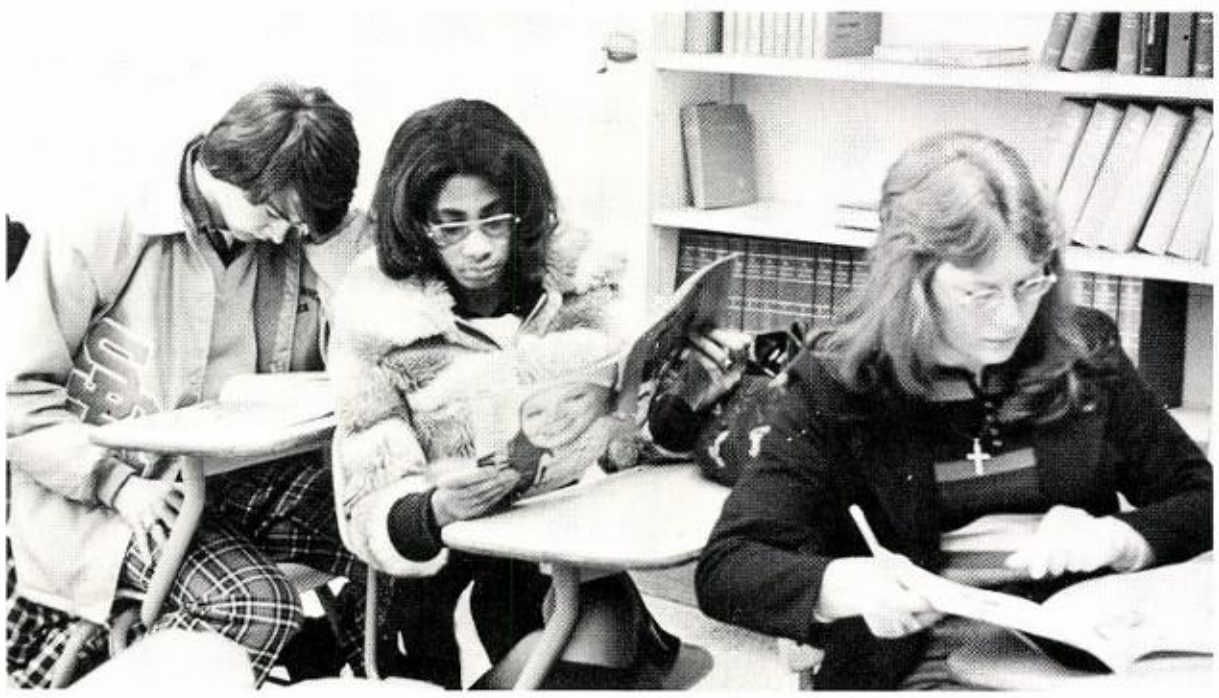
English Department

Because English is a required course in all five years of high school, the English department is the largest in the school. The aim of the department is to provide a relevant and effective study of English language and literature throughout the high school course of study. Although English is a required subject, many students are finding that it can be fun and challenging.

During English class Sherry McCaleb, Debbie Brown, and Sharon Dawson use their free time to look through the popular Scope magazine.

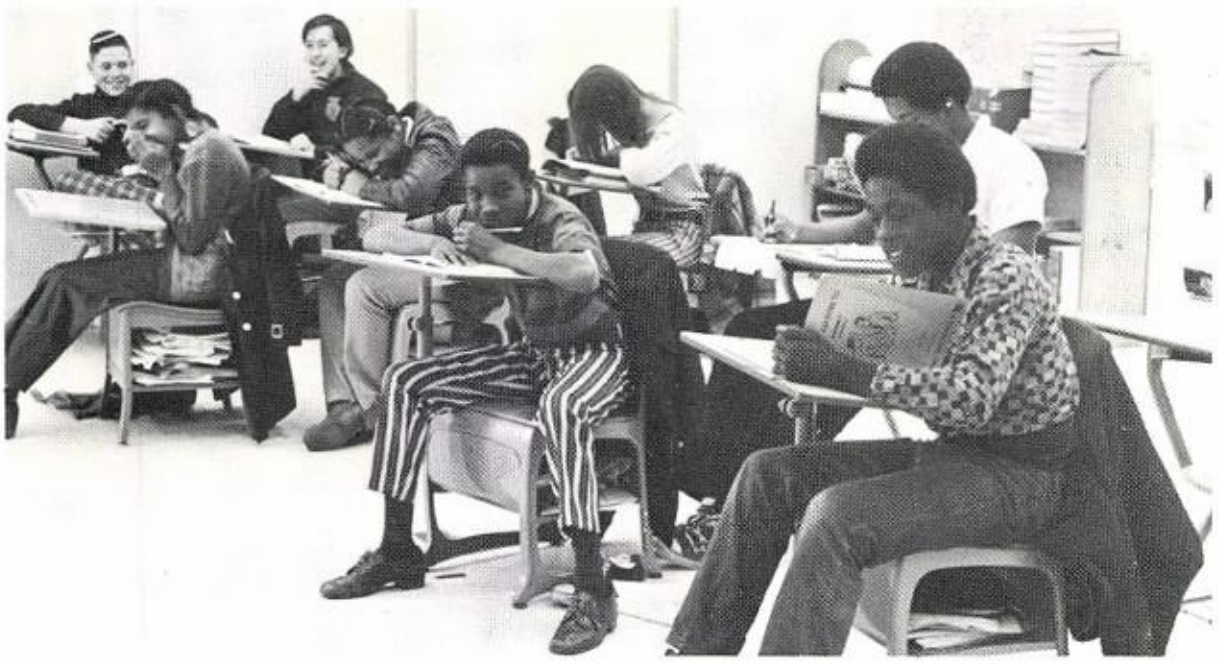


Bobbie Mullins takes advantage of the library's facilities to read her favorite magazine.



After completing their long English assignment, David Palmer, Robin Morgan, and Cathey Morgan work on the language game in their Voice magazine.

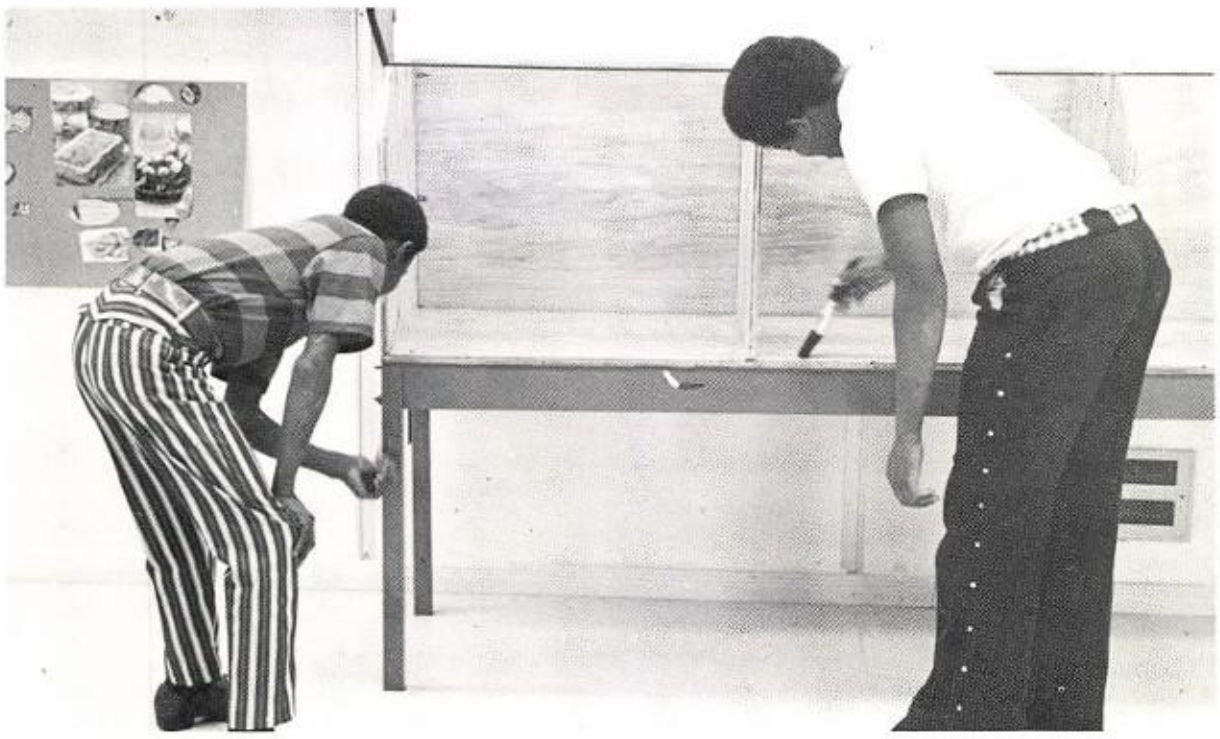
Gracie Burdette answers questions from her workbook in Reading class.



While certain members of the Special Education class work diligently on their class work others find time to be amused at the roving photographer.

Special Education

Two new curriculum areas were opened this year in the area of special needs. A reading curriculum was established to help students deficient in reading skills reach the desired level of efficiency. Also a class was begun for students with special needs. This group presently numbers eight.



As a special interest project some students are busy beautifying their room.

Mamie Wooldridge and fellow student place trash where it belongs.

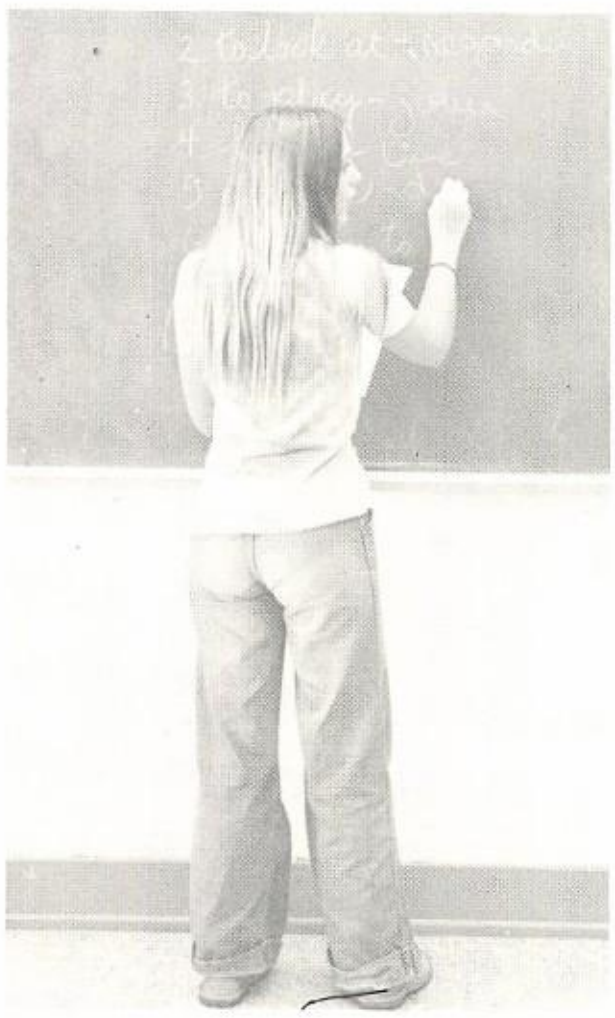
Miss Turner discusses with Bobby Mays his assignments for the day.

Foreign Language Department

The Foreign Language Department offers courses in Spanish, French and Latin, ranging from exploratory courses for eighth graders to third and fourth year classes for advanced students. Since all the courses are elective, the classes are usually small, giving ample opportunity for students to receive individual help.

Jeanette Sublette, Linda Nance, and Bobby Poole discuss a Latin translation.

Miss Sink questions Eddie Hensley and Dennis Jones in Spanish I.



Theresa Eades checks her knowledge of French verbs.

Eighth graders seem to enjoy learning dialogues in Mrs. Hartigan's Exploratory Spanish class.

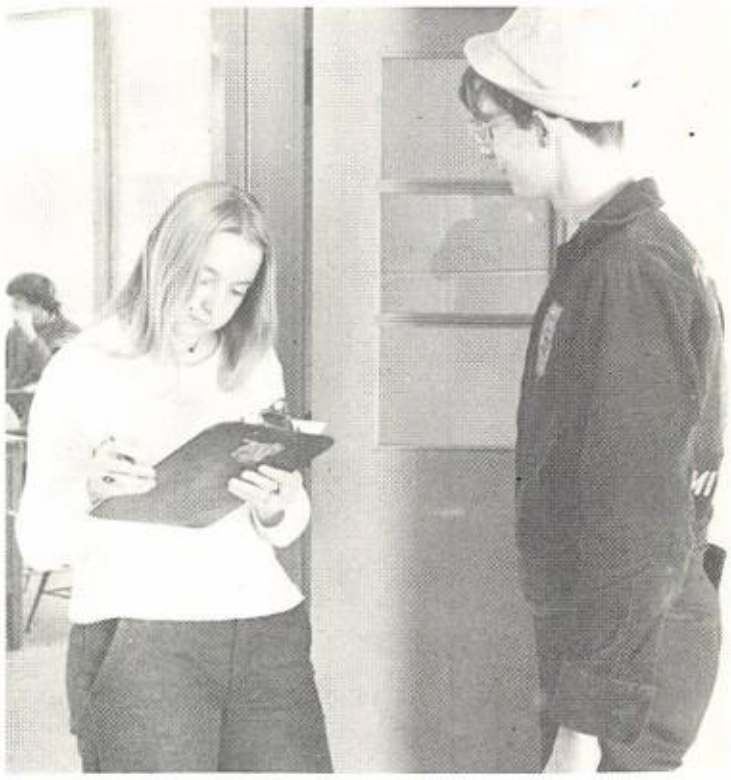
Mrs. Saunders assists members of her U.S. History class in locating source material.

Lois Nimmo and Glen Parker compare answers on a geography assignment.

Junior history students listen closely to Mr. McManus' lecture.

Social Studies Department

The Social Studies Department offers courses in geography, U.S. and world history and American government. This year the courses World Cultures and Minorities in America were added to the curriculum for students with a special interest in social studies.



J.D. Thomas questions Hazel Foutz as part of a student opinion poll conducted by Mr. Fine's government class.

Vocational Department

Harry Johnson and Carlton Ayers stain a trailer bed they have made in class.

Tommy Johnson is busy with a welding project in the shop.

Tim Stump works carefully on a design for Mechanical Drawing.

Ronnie Thomas works at the anvil with a metal project for his agriculture class.

Debbie Chisom concentrates fully on a typing assignment.

The Vocational Department seeks to offer the Staunton River student the basic skills needed for many jobs. The agriculture classes offer a variety of farm and shop experiences, while the Industrial Arts and Mechanical Drawing courses aim at preliminary training for industrial jobs. The business curriculum includes the basic skills and knowledge needed for secretarial work. In addition to the vocational training offered at Staunton River, many courses are offered at the Bedford Educational Center which further prepare students for jobs after graduation.

Becky Mullins, Carol Moorman, and Gloria Perdue practice using the adding machine.

Arts Department

"Express yourself" . . . That is what students learn to do when involved in the Fine Arts Department at SRHS; whether it's playing your clarinet, doing a dramatic reading, singing a song or showing your emotions on canvas. It's all you and your own feeling. The Fine Arts Curriculum offers such courses as Exploratory Art, Art I-IV, Dramatics I and II, Public Speaking, Exploratory Chorus, Chorus I and II, and Band.

Drama classes joined with the band and chorus in putting on a Christmas program for the school and community.

The Concert band presented a program of Christmas music for the community and its fellow students.

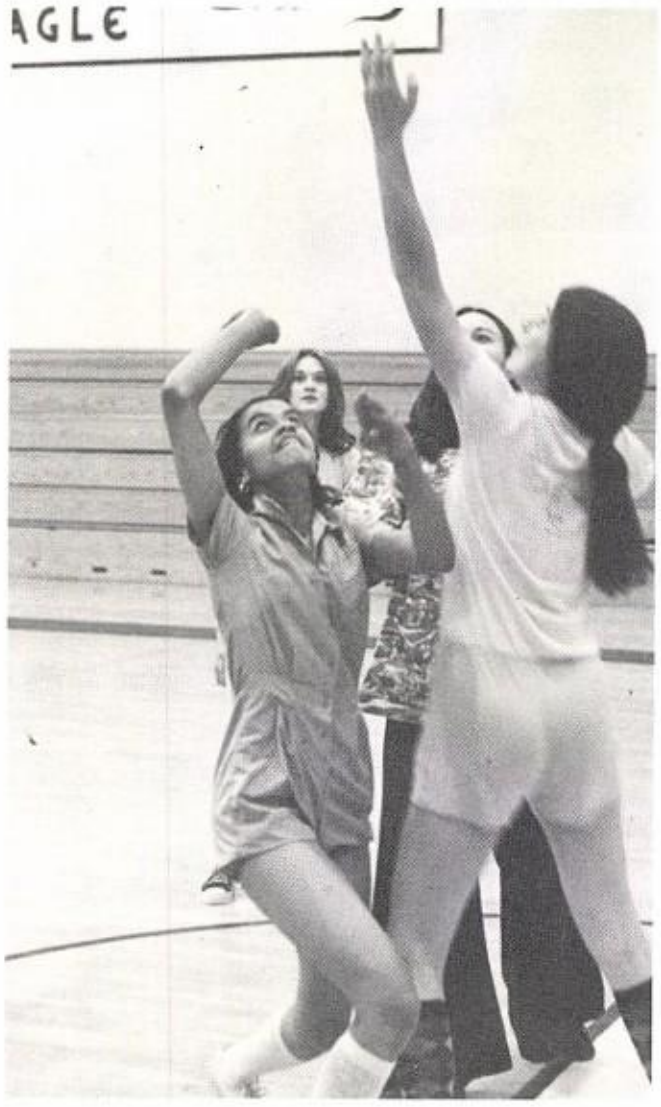
Phys. Ed. Department

The Physical Education Department is concerned with that part of the curriculum which strives to teach our students how and why to keep in good physical condition.

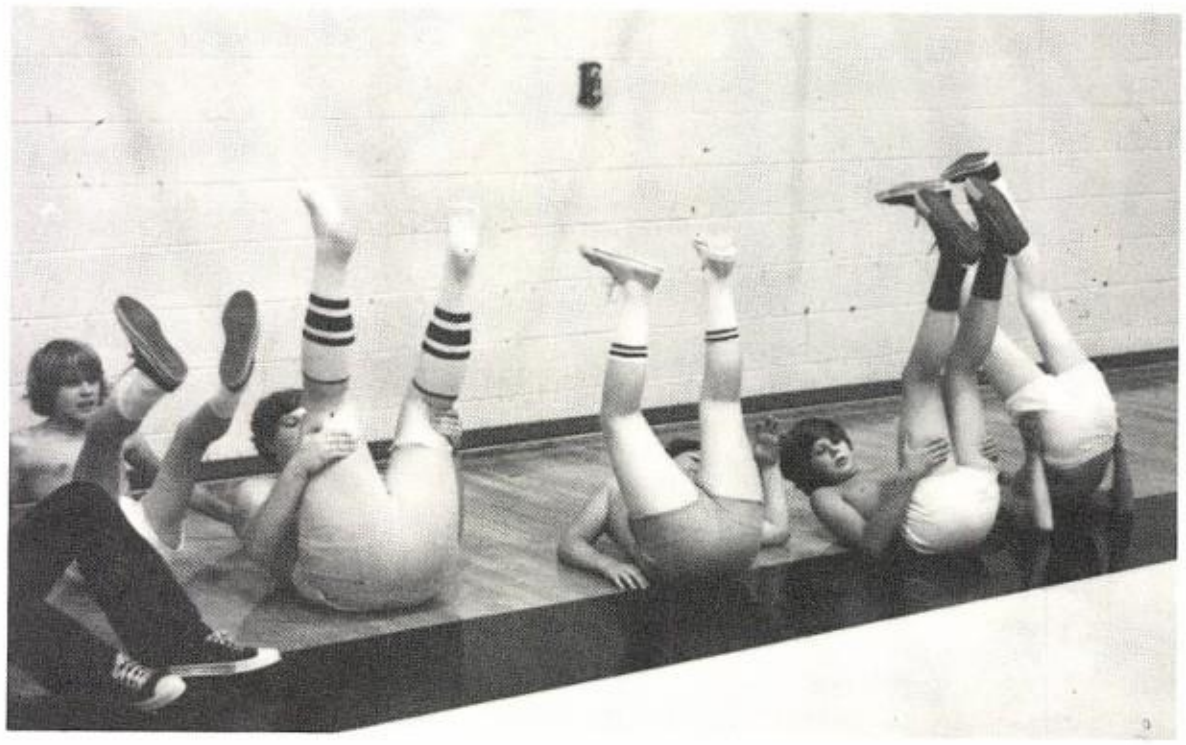
In recent years the offerings have been expanded to include Advance P.E. for students beyond 10th grade who enjoy team and individual sports.



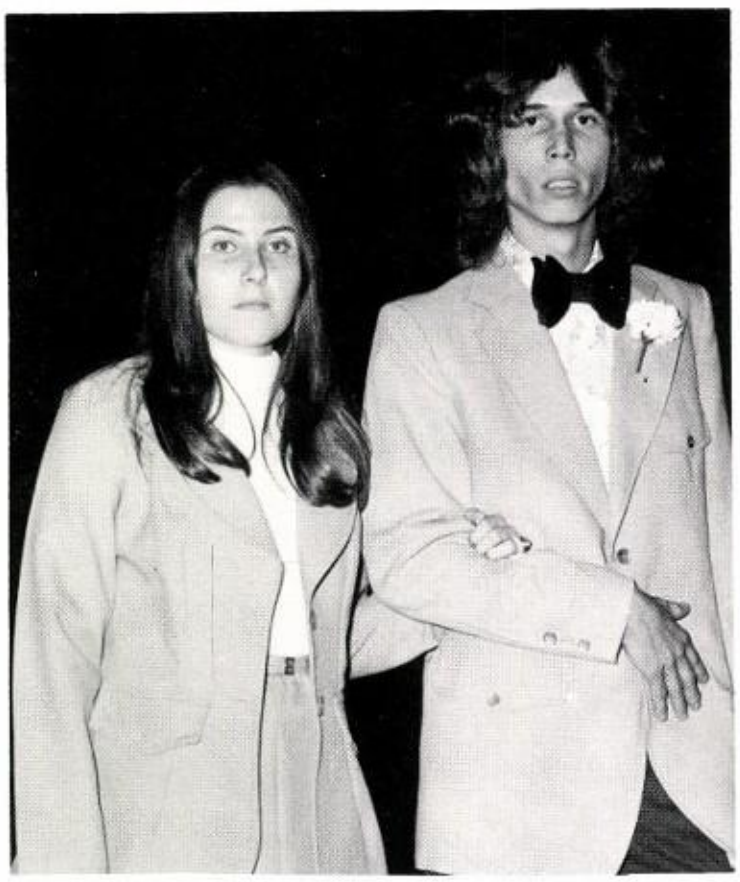
P.E. girls practice their basketball techniques as part of class program.

Even though snowball throwing is not a recognized part of the P.E. curriculum, many SRHS students cannot resist the temptation when we have one of our few snows.

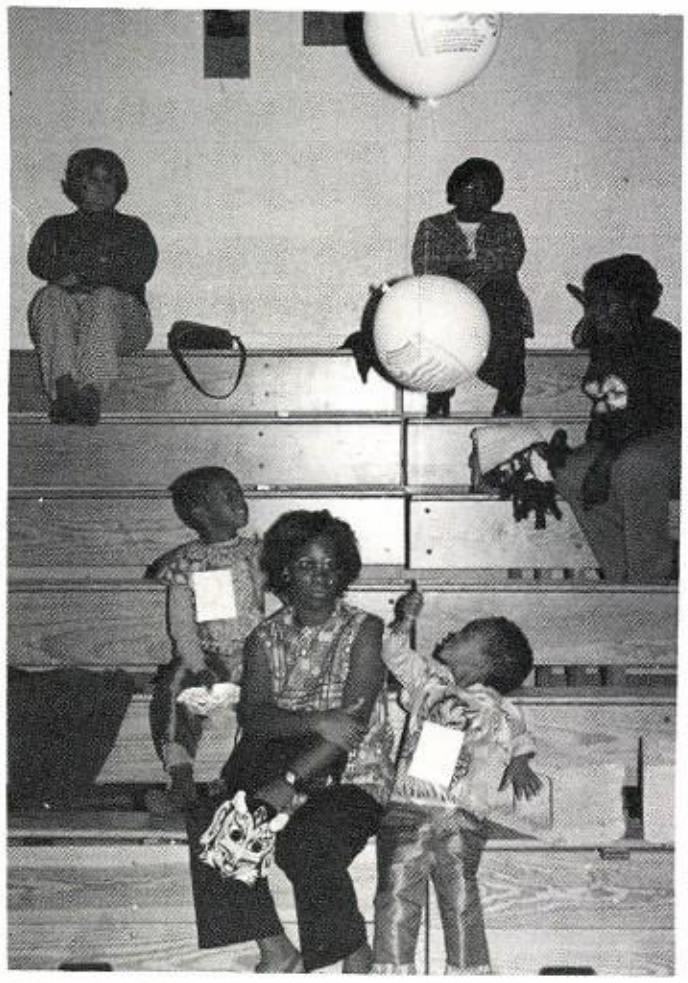
Barbara Whorley works to perfect her layups in class workout.



Tedious they may be, but exercises are part of nearly all P.E. classes.



We were involved . . .



We were many,
With interests and talents
Of every kind,
Working and playing
Together.
We worked as clubs
To improve ourselves
And our school,
To share learning experiences
Outside a classroom.
We had fun
With homecomings
And a festival,
With club projects
And inter-club
Activities.
We learned, we had fun,
We succeeded or failed;
Most of all,
We were together
Sharing the experience
With each other.

Fall Festival

Is a Big Hit

Fall Festival '74 was a new addition to the Staunton River social scene. The Festival was sponsored by the Forensics Society, who rented booth space to all clubs who wished to participate. The entertainment included a haunted house, nickel pitch and basketball throw. Several clubs sold gift items and there were many door prizes. The highlight of the evening was the crowning of the Fall Festival Queen. Nineteen girls, sponsored by clubs and classes, competed for the title, which was won by Mary Ann Vassallo.

Homecoming

Theme Is

"Get It On"

The 1974 Football Homecoming was a major event this fall. The theme of our Homecoming was "Get It On". Staunton River Golden Eagles played Liberty Minutemen. Preparing for the exciting game we celebrated Spirit Week with Color Day, Lick 'Em Day, and Crazy Sock Day. A bonfire before the game served to improve everyone's pep. Halftime festivities were made up of recognition of the Homecoming Queen and her court, with a program by our band. The Eagles fought hard for a long-overdue victory which slipped through their grasp in the final seconds. Final score—Liberty-22 Staunton River-19.

Eagle Spirit
Peaks for

Basketball Homecoming

Basketball Homecoming was not only a one night occasion but a whole week of fun and excitement. Each day of the week students expressed their spirit by wearing crazy socks and ties, tacky clothes, school colors and badges. On Friday students and teachers came dressed in their "Fifties" outfits. On Friday night a Homecoming queen was crowned and the Goldenettes made a special appearance. Eagle spirit really exploded when our team scored a 72-70 victory over Gretna.

The Forensics Society is made of two former clubs, the Drama Club and the Debate Club. By pooling their talents and energy they have been much more effective this year. Last year these groups went to two forensics festivals. They did so well and had such fun that they decided to go again this year. They needed to raise a lot of money, so they worked on several projects. The Fall Festival was one such project. Although many clubs participated, Forensics Society members were the work force behind all the fun. Their doughnut sale provided "breakfast" for many SRHS students throughout the year.

EYRIE Staff

Struggles to Meet Deadlines

Each year it is the task of the yearbook staff to begin with 150+blank pages and to create a meaningful memory of the year. The 1975 Eyrie staff began with little experience and a great deal of enthusiasm.

After months of taking and selecting pictures, writing copy and designing layouts, the work is finished. January and February, with the final two deadlines, are hectic and sometimes panic-filled. Somehow the work all gets done. Hopefully, the final result of their hard work will be a book that has captured the essence of the 1974-75 school year, one of which everyone can be proud.

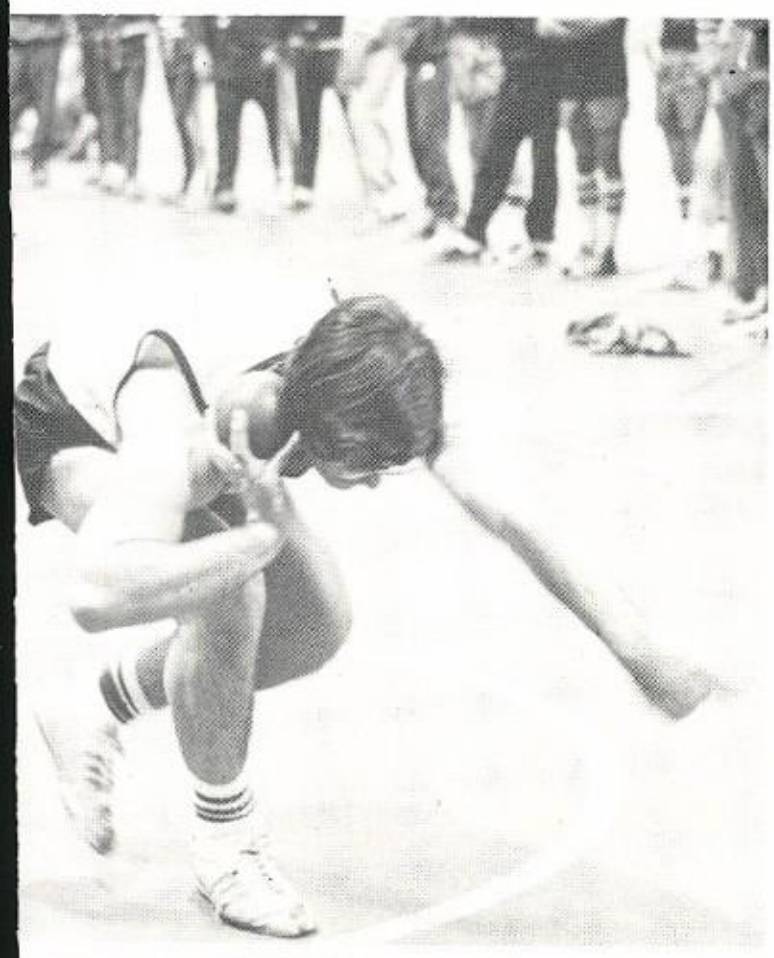
We were competitive . . .



Working as individuals or as teams,
Sacrificing, striving to be better,
To become the BEST.
For many of us it was
A long series of disappointments;
For some a mixture of defeat
And victory.
We set our goals and worked
Tirelessly to attain them,
Whether the goal was simply to win,
Or to claim a championship.
Our emotions were many—
Pride in our successes;
Disappointment when we
Couldn't quite reach the goal;
Determination to win or improve;
Appreciation for those who
Never tired of coaching, cheering
And supporting us.
In many things we were not the best,
But the will to win lives on.

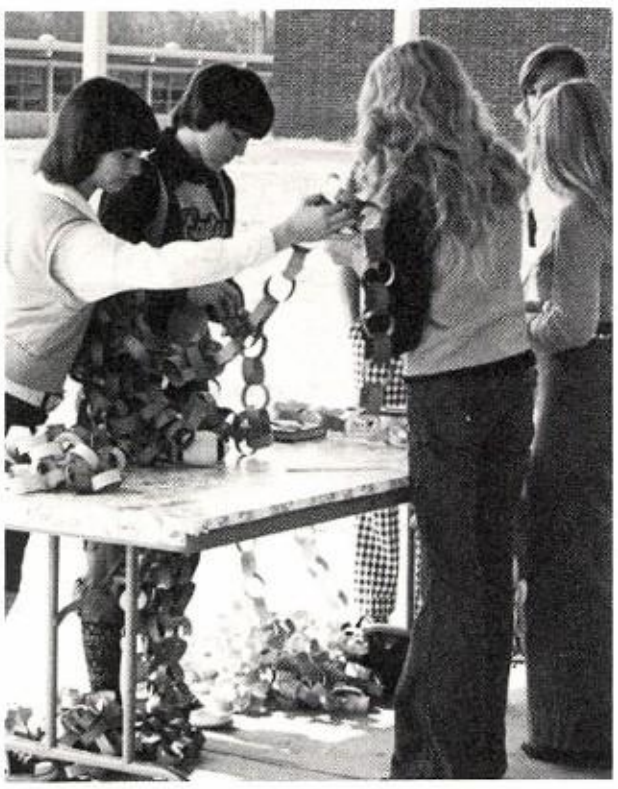
Work Hard For Better Spirit

The Varsity Football Cheerleaders did their best to boost school spirit. Although it was a losing season they kept their hopes for the next game to be the victory everyone awaited. The Cheerleaders kept busy planning Pep Rallies, serving refreshments to the team after practice, and sponsoring Homecoming week activities.



Bobbie Hutchens, Mary Hoskins and Jeanette Sublette sell links to the Spirit Chain during Homecoming week. The class with the most links was the one with the most spirit. The Freshman class was awarded the Pep Stick.

Cross Country Has Great Season

The 1974 Cross Country season was a great one for the Eagles. Behind the steady performance of captains John Hall and Zane Branson, the Eagles ran their way to a 15-2 season and a tie for the Seminole District Championship. The course, which was lengthened to 3 miles for the season, wandered about the campus and into surrounding woods, giving spectators a good view of the races. Coach Bolding worked hard to challenge and encourage the team and to win the support of the student body and faculty. In the disappointing tie with Amherst and Liberty for the District title, Ralph Ellis saved the day by passing six competitors in the last 200 yards. Zane Branson and John Hall went on to place 1st and 2nd in the Regional meet and 7th and 9th in the State AA competition.

Coach Bolding explains the operation of a cross country meet to spectators.

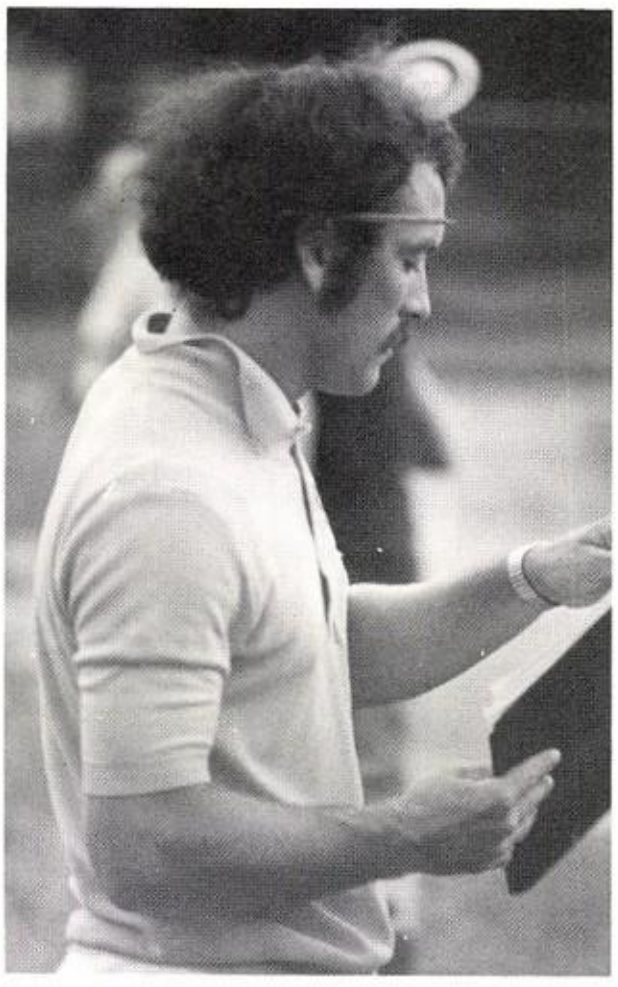
J.V. Football

Racks Up

4-5 Record

The Junior Varsity Football Team showed great promise as it worked toward its 4-5 season record. Under the direction of coaches Dale Wilson, and Tom Peterman, the team showed great improvement as the season progressed. The passing of Gary Lantz and the running of Harvey Anthony were key factors. The main problem the team had to fight was an "on-the-road" jinx, since they won no games away from home. In spite of that problem, the young Eagles were impressive at home and gave the fans much to cheer about.

Coach Wilson looks on with concern.



Coach Peterman checks games statistics.

Cheerleaders

Have Something to Cheer About

The 1974 J.V. Football Cheerleaders were an important part of the fall sports program. Their high spirits and tireless efforts encouraged the J.V. team to fight on to exciting victories they achieved. These girls were proud to contribute to building up Eagle Spirit!

Volleyball

Season Suffers From Inexperience

The Eaglette volleyball team felt sharply the loss of several starters who graduated last spring. This year's team was high on enthusiasm for the sport, but lack of experience took a heavy toll. The girls' 0-9 record does not indicate the closeness of some of the matches. Under the direction of new coach Sara Phares, the Eaglettes look forward to much better times next year.

Ethelda Preston is ready for action.

Coach Sara Phares gives last minute instructions.

A determined Penny Burnette returns the volleyball to the opponent.

Team members are: Front row—Sandra Williams, Lenora Saunders, Sandra Bowles, Lynn Stevens, Carolyn Meador, Jeannette Hall, Sylvia Howell, Susan Moorman—Mgr. Back row—Bonnie Saunders, Barbara Brown, Penny Burnette, Cathy Nichols, Ethelda (Minnie) Preston, Sherry Lipscomb, Kathie Woodford, Nancy Fowler.

Height Disadvantage Plagues

Eagle Varsity Basketball

The varsity boys had a disappointing season this year. This was definitely a rebuilding year for the Eagles. With no seniors on the team, experiene was limited. While we had more height than usual, we were at a distinct disadvantage. The other Seminole District teams had at least one big man and we found that it was nearly impossible to win without one. We are looking for a good season next year with the experience gained and all our players returning.

Captain Marcia Woodford scores on a free throw.

Sherry Lipscomb fights with determination for a rebound.

Jeanette Hall scores two for the Eaglettes.

Coaches Diane Padgett and Sara Phares discuss first half statistics.

Eaglettes

Have Height;

Lack Scoring Power

The Girl's Basketball season was a disappointing one. This year's record was a shock after several good years for the sport. The team was not entirely lacking in talent, but the girls were seldom able to get it all together to score and defeat as well as necessary. The competition in the district was tough and the Eaglettes just didn't have the scoring power to keep up with some of their high scoring opponents. The senior members of the team, while frustrated by losing, never lost the drive to keep urging the team on to victory.

Kneeling, Left to Right: Sylvia Howell—Mgr., Barbara Hutchens, Jeanette Hall, Marcia Woodford, Gloria Sellers, Debbie Brown, Tami Aschbrenner,

Varsity Basketball Cheerleaders

Have A Busy Schedule

Being a basketball cheerleader may look glamorous but it's not all fun and games. There are pom-pon routines to be made up, pep rallies to plan, and months of hard practice. Varsity cheering isn't just a weekend sport. With 35 games on the schedule, many of those on Tuesday nights, the cheerleaders never slow down. Even with all of this work, cheering is exciting and rewarding.

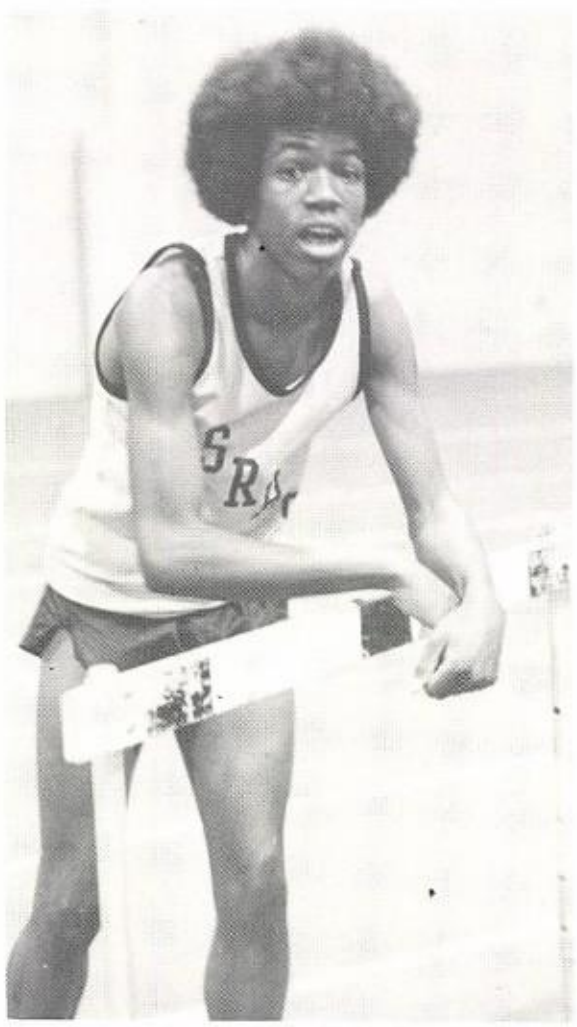
Eagle Trackmen Rate High

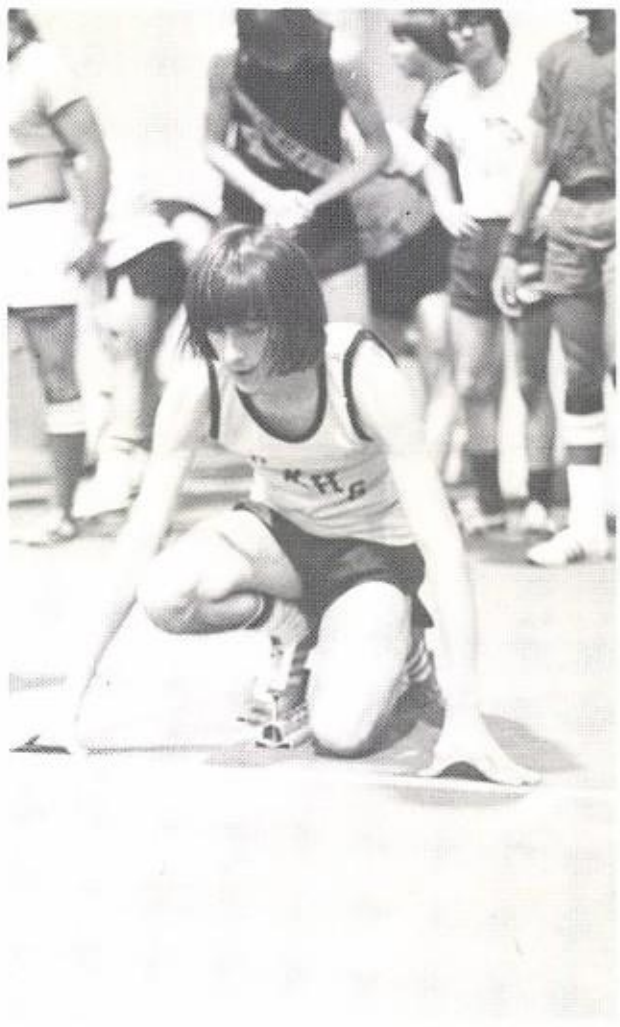
In District Competition

Indoor Track is a relative newcomer to Staunton River athletics. Each year it gains a larger number of participants than the previous year. All the meets are held at Lynchburg College field house, with participation open to all Seminole District schools. This year the Eagles placed consistently in the top 4. Outstanding performers were Zane Branson and John Hall in distance events, Clinton Western in sprints, Jeff Moles in relays.



John Hall rests after two mile race.

Bobby Bonds discusses his event with Coach Bolding.



Brian Hancock gets set for his race.

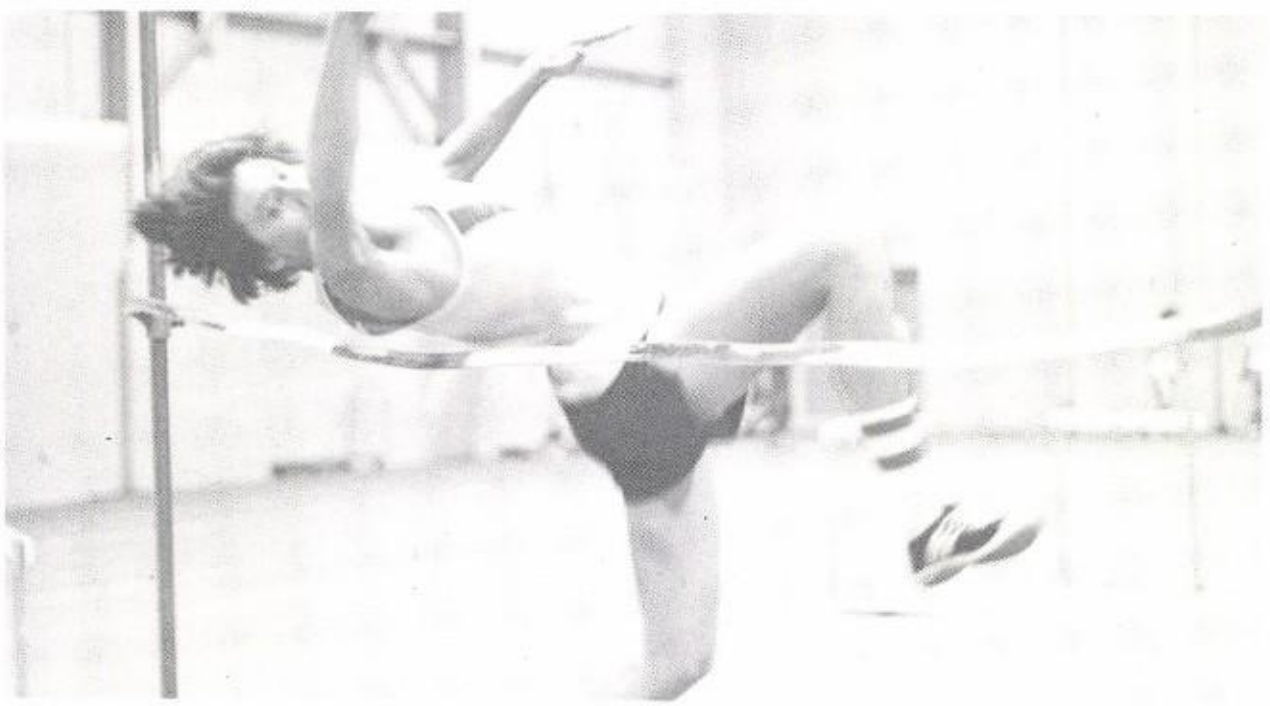
Michael Brown breaks triple jump record.

Donald Craighead sprints to the finish.



Ricky Meador takes a backward lunge at the high jump.

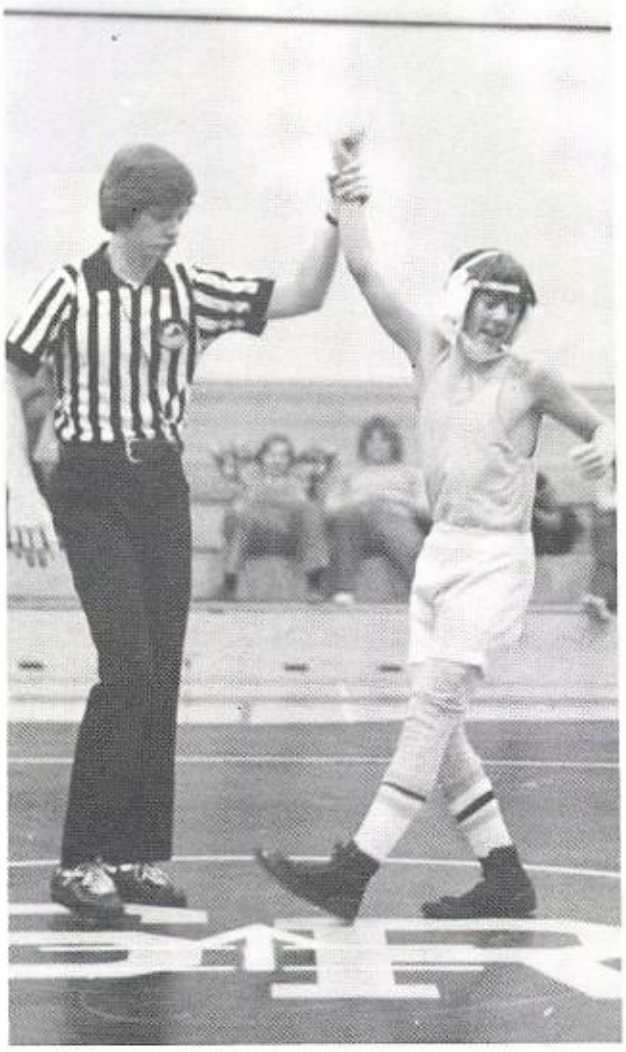
Bill Preston tries to better his shotput record.

Wrestling

Arrives on SRHS

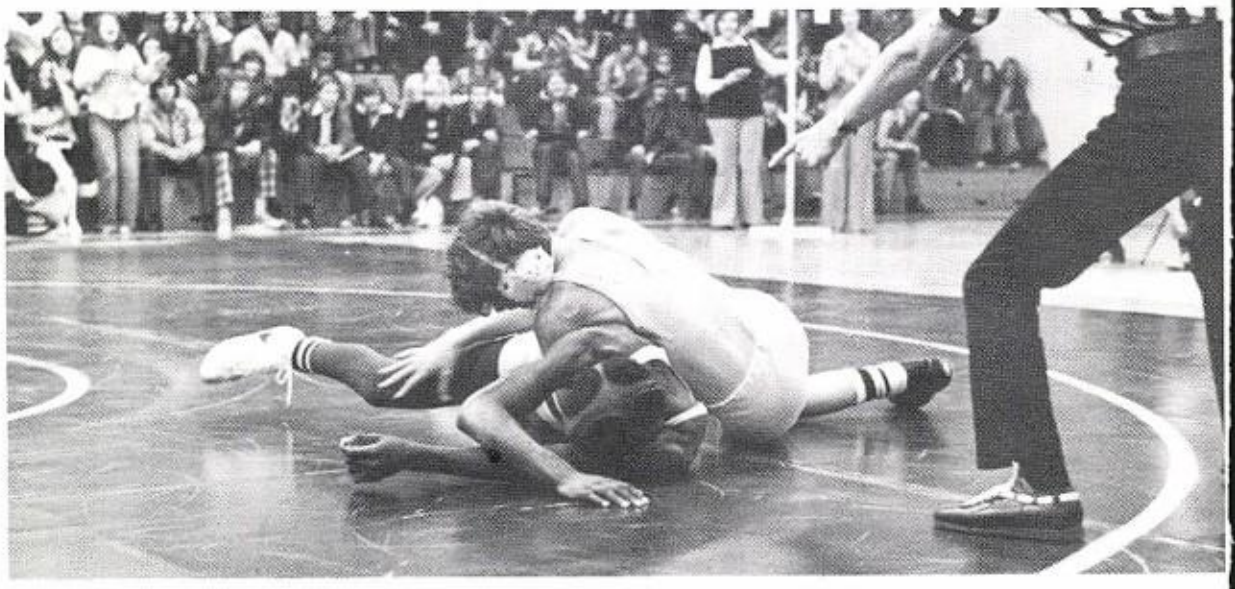
Sports Scene

Wrestling was a newcomer to Staunton River this year. As might be expected, the season was not one for winning; it was a time for learning. The young men who became wrestlers had to begin at knowing nothing about wrestling and proceed from there. The first meet was held during school with most of the student body attending. Even though we were soundly defeated by Gretna, the action stirred a lot of enthusiasm. Our hopes are that the team will continue to improve and that wrestling will become a favorite at Staunton River.

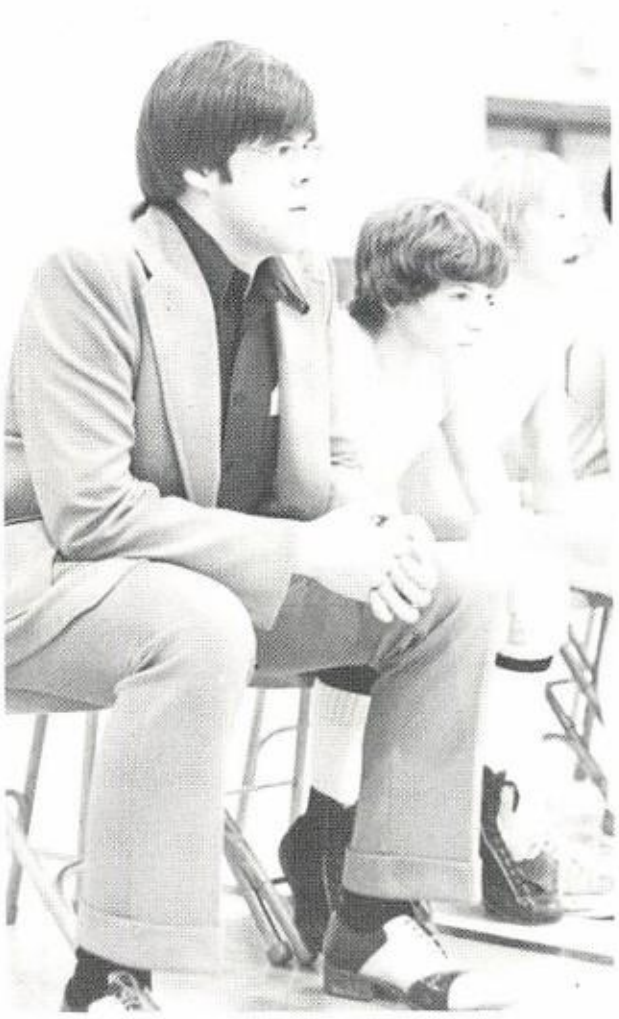


Referee declares T. Williams the winner.

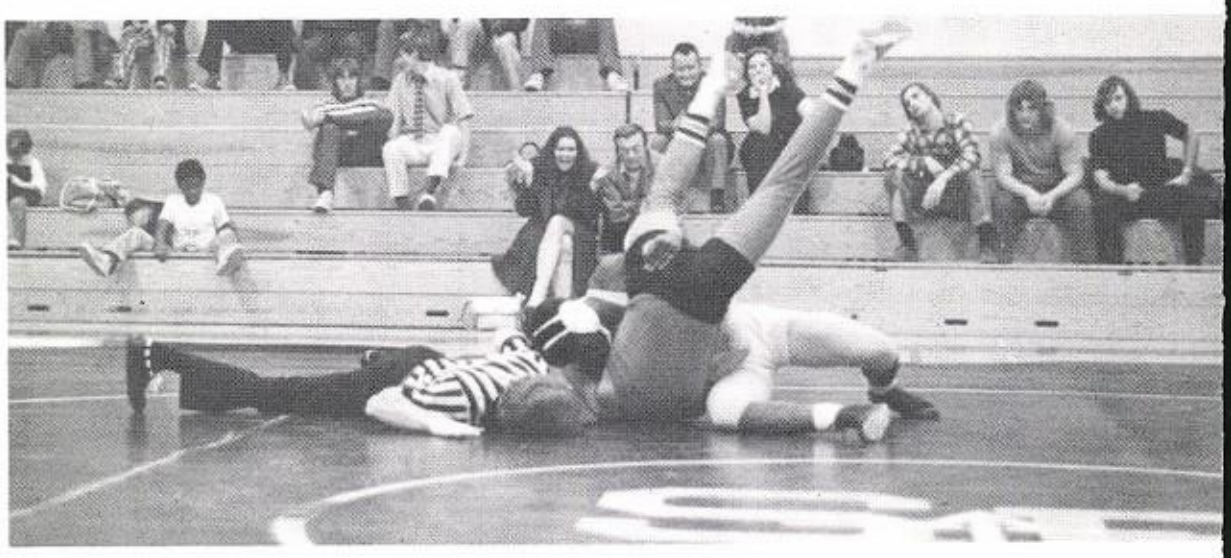
Coach Mabbitt enjoys the match.



Paul Thomas holds his man to the mat.



Coach Smith watches intently as the SRHS wrestlers wrestle.



The referee counts to three to make the pin official.

Wrestling Cheerleaders

Volunteer for Job

The addition of wrestling to the Staunton River sports scene brought a new group of cheerleaders into being. The girls who cheered so well for our wrestlers were unique in that they were not chosen—they volunteered. Knowing something about cheering, but virtually nothing about wrestling, they set to work. They learned quickly and did a fine job of supporting and cheering on our wrestlers.

JV Basketball

Unlucky in Close Games

The JV Basketball team had a tough year with little to brighten the schedule. With only Derwin Preston to match up to teams with several tall players, the JV's felt the disadvantage sharply. In spite of their size, they fought hard. They won a couple of games, but lost several close ones.

JV Basketball Cheerleaders

Have Plenty Of Spirit

The bouncy, spirited cheerleaders for the Junior Varsity Basketball team had a tough job keeping spirit high. They worked hard to show the team they cared and encouraged others to support them. One project they planned was to make ties for the team members to wear on game days. While crowds at the games were of many sizes, one could always count on the great spirit of these seven to cheer on their team.

Eighth Grade Basketball

The Eighth Grade team got off to a rough start in a sound defeat by BEC. Bouncing back, they won their next game, but from there on it was tough. They had much to learn about working as a team. The season record was not a cheerful one, but the experience gained should be a bright note for next year's JV team.

God would have you believe these great truths

FIRST EVERY PERSON (YOU) NEEDS TO BE SAVED. "For all have sinned and come short of the glory of God." Romans 3:23.
"Except a man be born again he cannot see the kingdom of God." John 3:3.

SECOND YOU CANNOT SAVE YOURSELF. "Not by works of righteousness which we have done, but according to His mercy He saved us." Titus 3:5. "For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord." Romans 6:23.

THIRD JESUS HAS PROVIDED FOR YOUR SALVATION. "Who (Jesus) His own self bare our sins in His own body on the tree, that we, being dead to sins, should live unto righteousness; by whose stripes ye were healed." 1 Peter 2:24. "For God so loved the world (you) that he gave his only begotten Son that whosoever believeth in Him should not perish but have everlasting life." John 3:16

FOURTH YOU MUST BELIEVE IN JESUS FOR SALVATION. "Believe on the Lord Jesus Christ, and thou shalt be saved." Acts 16:31. "But as many as received Him, to them gave He power to become the sons of God, even to them that believe on His name." John 1:12.

FIFTH NOW IS THE TIME TO ACCEPT JESUS AS YOUR SAVIOUR. "Behold, now is the accepted time; behold, now is the day of salvation." 2 Cor. 6:2. "As the Holy Ghost saith, Today, if ye will hear His voice, harden not your heart." Hebrews 3:7-8.

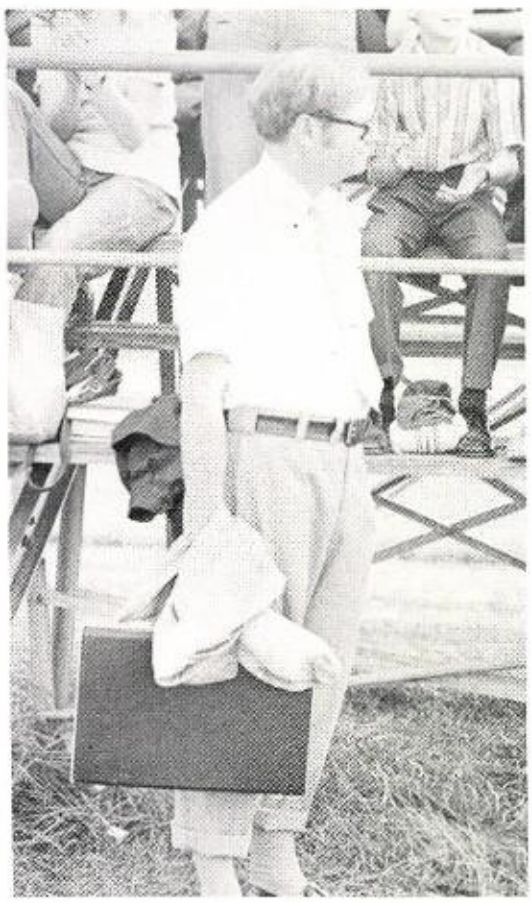
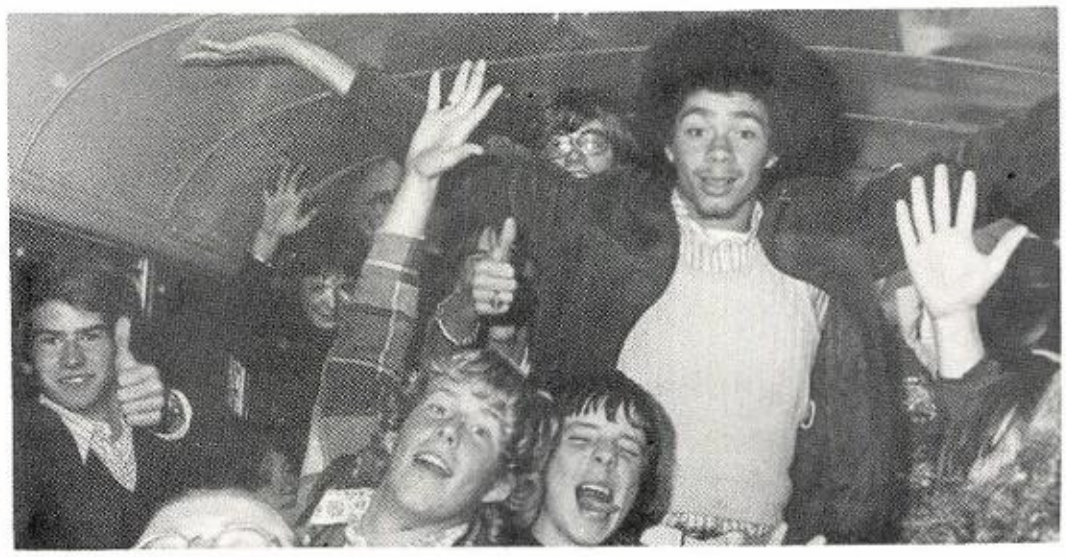
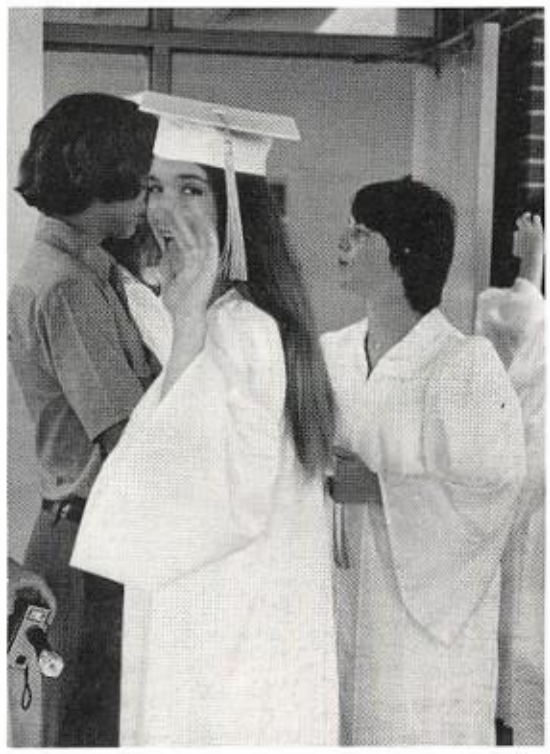
We were many people,
Involved in many things,
Sharing,
Or bearing it alone.
We worked and played,
We shared excitement
Of many kinds;
The tedious tasks of
Homework and practice;
One-of-a-kind triumphs
And heartbreaking defeats.
All these things that we were
And did
Are bound together
In a tangle of memories;
But somehow we believe
That when we are
Remembering the way we were
In 1975,
It's the laughter
We'll remember.





Spring 1975

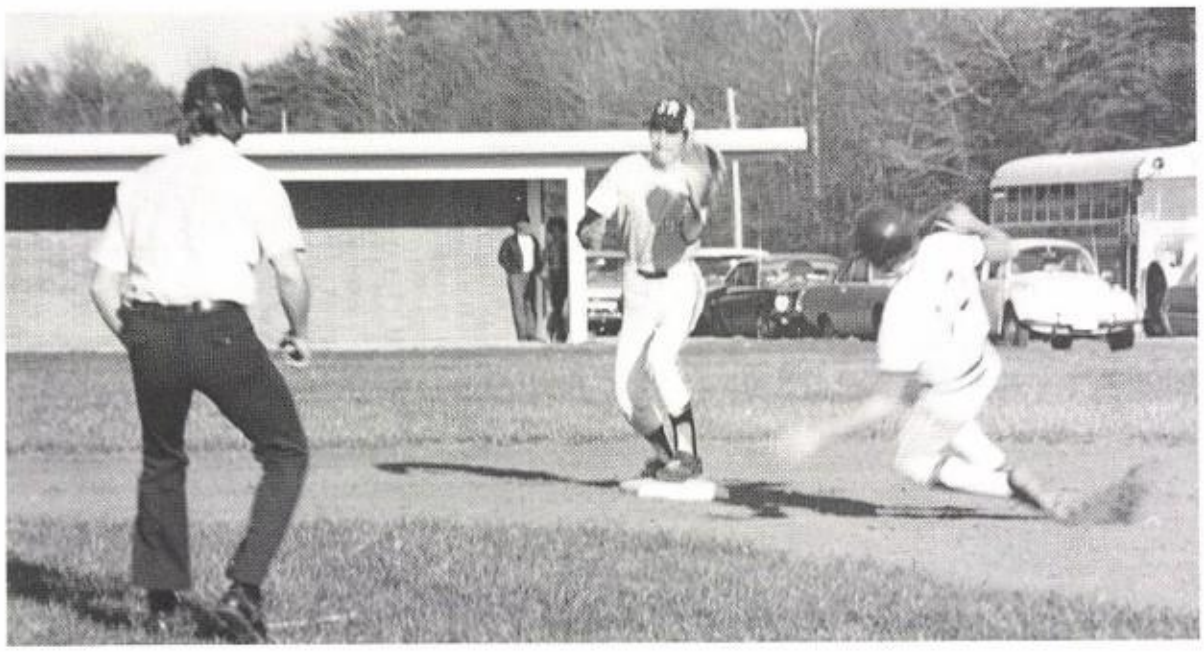


Varsity Baseball

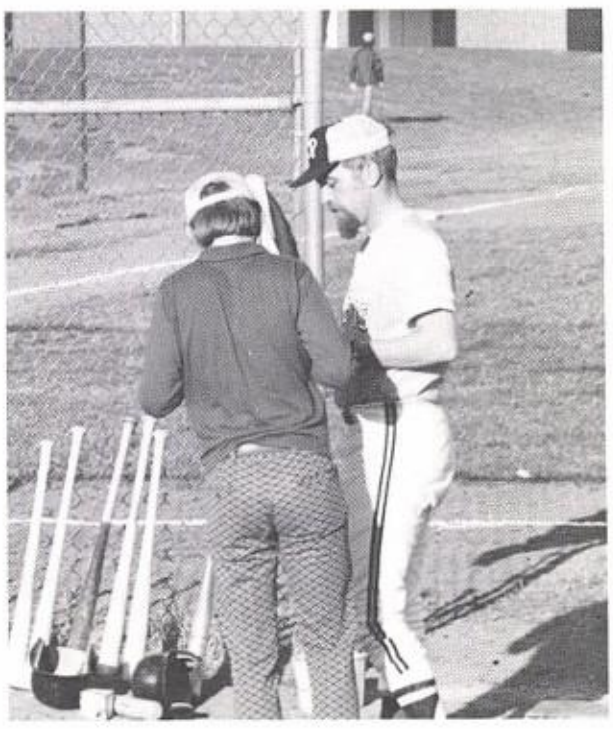
The 1975 season for varsity baseball was a disappointing one. With many new players and quite a few veterans it looked like a promising year. However, the team just couldn't get everything together at one time. The team's one victory came late in the season and was enjoyed by the team and spectators alike.

Joe Davis follows through for a good hit.

Coach Fine watches from first base.



Randy Hartberger catches the ball on second for an easy out.



Coach Higgins and scorekeeper Reggie Poindexter look over game statistics.

Standing: Karen Aliff—Manager, Debi Mullens, Lynn Stevens, Cindy Morris—Scorekeeper, Vicky Ferguson, Penny Burnette, Renee Mitchell, Carolyn Craft, Suzanne Tuck, Julie Martin, Kathy Saunders—Manager.

Bunting, smart baserunning, and excellent fielding were the keys to another successful season for the Eaglettes. Coach Mitchell had some trouble keeping the pitching staff going, but the girls came through with a 5-5 record, in spite of some problems.

Below: Diane Tuck awaits the next pitch, ready for action.

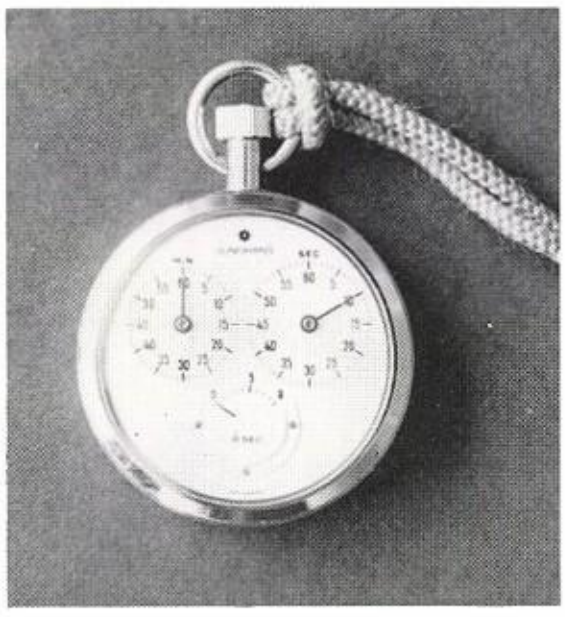
Below: Vicky Ferguson reads the signal from Mr. Mitchell and swings away.

Boys' Track

The boys' track team had another good season, finishing with an 8-3 record. Individual performances were excellent, with many of the team members setting new records. Only a lack of depth in several of the events kept the Eagle trackmen from being closer contenders for the district championship.

Craghead and Preston strain to finish the 100.

Steve Lafon tries to raise his vaulting height one more notch.



The clock shows it as Gerald ran it—10 flat!

Bobby Poole goes over the high jump backward.

Kenneth DeLong puts every ounce of might into another throw of the shot.

Third row: Mike Brown, Zane Branson, Larry Garrett, Kenneth DeLong, Bobby Poole, David Brown. Back row: Coach Bolding, Manager Junior Ferguson, Paul Thomas, Coach Cundiff.

Girls' Track

Girls' Track was a newcomer to Staunton River sports this year. The team put a lot of work into making it a good year. The 2-3 record of the team was good for a start and several team members went as far as the Regional Meet in competition. Jeanette Hall also represented SRHS at State.

Chris Cosgrove and Donna Gaither pose with the prizes which they earned in competition at Gatlinburg.

Forensics

Spring is a busy time for the members of the Forensics team at Staunton River. Members of the group participated in several tournaments, including those in Gatlinburg and Bristol. To finance these trips, the students and sponsors worked diligently to raise money in many ways. The one event which caused the most excitement was the Faculty Talent Show, in which many of our faculty had an opportunity to share their many abilities with the student body.

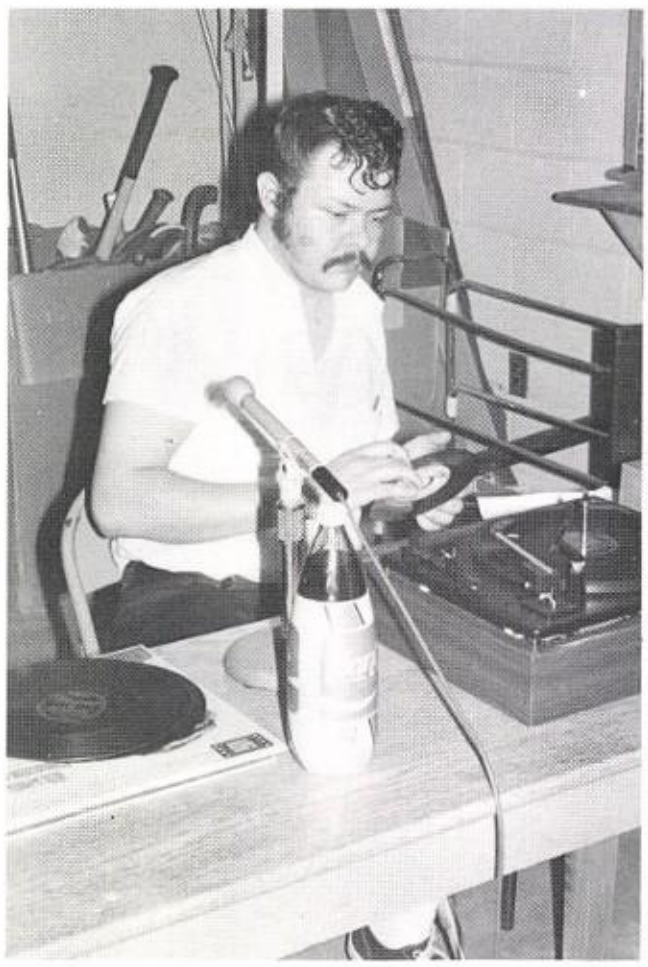
Before the Fifties Sock Hop the Eyrie Staff sponsored a motorcycle jump to raise money. Wayne Brown attempted to jump five cars for the first time and succeeded.

Bobby Dillon and Tanya McCormick won the prize for the best dancers at the Hop.

Sandra Mays displays her twisting talent to get in the mood of the fifties.



Goldie Oldie Eckard took charge of the records during the Fifties Sock Hop.

Cindy Tuck and Tony Ferguson won a Fifties album for being the best dressed couple.

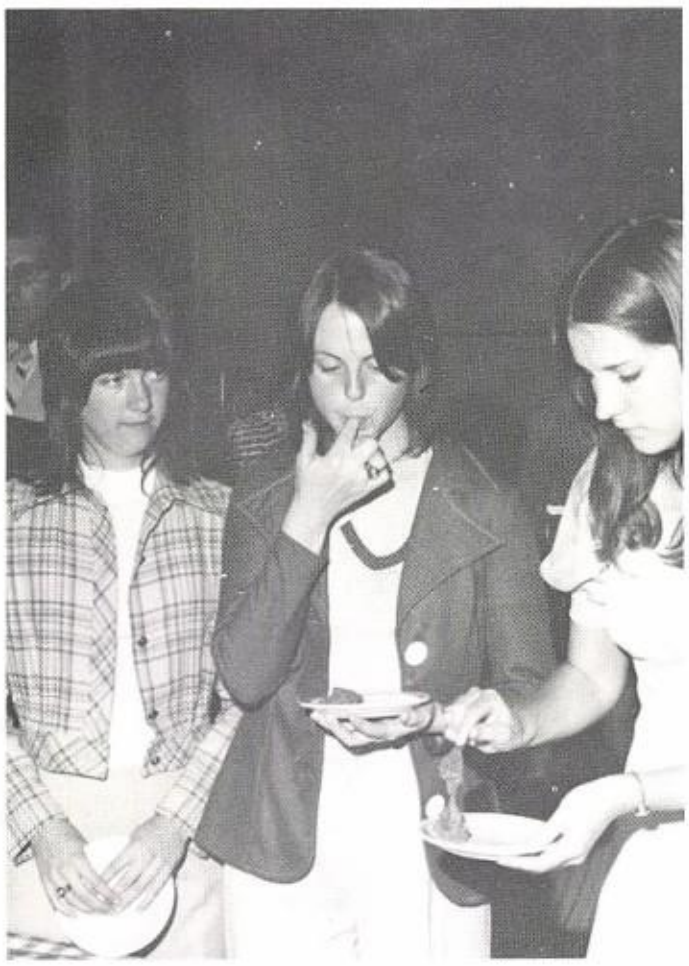
The climax of each year in the French Club is the French Club Banquet.

Having a French atmosphere, the cafeteria was decorated with checkered tablecloths and candlelights. Soft French music added to the mood. The menu was made up of chicken in wine, chocolat mousse and many other delicacies. Going to the French Club Banquet was the next best thing to being in France.

Helen Eades, Sharon Tuck and Cindy Carter enjoy a little friendly chatter along with the delicious food.



Julie Martin can't believe that Martha Hoskins is actually taste-testing the desserts.

French Club members, parents and friends indulge in the "homemade" delicacies of the banquet.

Mrs. Graber's fifth period English class gave her a farewell party, on May 2. Class members are, left to right, Ann Delong, Donna Merrill, Denise Wells, Cindy Dillion, Tammy Ellis, Tammy Chandler.
